SEATING AND SLEIGHING.—A letter recently received in this city from Chas. Hellenbrand, who is now engaged in business in Spokane, speaks of skating and sleighing parties innumerable there for some time past. This cannot be fully appreciated by Oregonians residing in the Willamette valley, especially where such privileges are so rarely afforded to us. Some cold weather has been predicted for the present month and it is probable that we may yet have skating and sleighing here before the winter is gone.

Every morning he had office at Portland will transmit to the various offices a bulletin of the principal news of the preceding day and night and the same will be posted in the local offices.
