The following just and intelligent criticism of McKinley's message is from the pen of Francia Bellamy, editor of the Illustrated American, o New York:

Some signs of real progress appear in the President's message.

The people had awaited it with a deeper interest than is ordinarily arouseed by the annual messages o our presidents. At a most critical period of national transition and uncertainty it was expected to contain a few keynotes for a clearer future.

When it came it brought to the country both reassurance and disap-
