K. L. Hibbard, chairman of the Marion county People's party, returned today from a week spent in Portland, where he attended the meeting of the

forces, Mr. U'Ren to the contrary notwithstanding. He says the way the matter now stands, if a majority of the delagrates in and or the first them if there were eyer a deficit they would float at par. But with delinquent taxes due there need be no deficit. of the delegates in any county conven-tion or in a district or state convention, favor a Union ticket, the Peo-ples party is then, by such expression through the delegates, in honor bound

to unite for a Union ticket on a plat-form embodying the essential princi-ples of the party.

Mr. Hibbard is unqualifiedly in favor of a union ticket in this county and all over the state. He can see no reason why men who think alike on the essentials of reform should not yote together, and that too without any of them compromising themselves as members of the different silver and as members of the different siver and reform organizations. He went to his home at Willard today after holding a short conference with John Bayne, Democratic county chairman, and W. T. Rigdon, Silver Republican county chairman. The political campaign will not begin yet for a month or two, but Mr. Hibbard pro-poses to leave nothing undone to secure united and harmonious action of the three organizations in Marion

A Review of Salem School Finances and What Should Be Done

The school district is paying about \$4000 a year interest, at rates ranging from six, seven, eight to nine per cent

serve the district instead of serving themselves or some syndicate.
