SOCIETY NOTE BOOK

Unity Guild gave its second dancing party in its hall Thursday evening which in point of success, was only a repetition of its previous efforts. About eighty young people were present and a delightful time was had. The best of music was furnished by the Polley-Gesner orchestra.

Mrs. Frank Willman this afternoon gave her third Historical Music Reading in her studio in the First National Bank building. Each pupil is permitted to bring a friend to these Saturday afternoon meetings and very enjoyable times are had. On next Saturday afternoon Mrs. Willman will give her regular class lecture.

The hospitality of the management of the State insane asylum was again manifested Friday evening, when the first "special" dance for the present year was given by the attendants. The splendid dancing hall was comfortably filled by a happy throng which tripped the light fantastic to excellent music furnished by the asylum orchestra. By the way it is second to no other amateur organization in the state, until a late hour. A lengthy program containing all that lovers of terpsichorean art could desire was carried out to the infinite pleasure of all privileged guests.

On Wednesday the 26th inst., at the home of Mr. and Mrs. W. M. Sargent in Perrydale, at 12 o'clock, noon, was solemnized the marriage of their daughter, Miss Lulu G. Sargent to Mr. Oran K. Edwards, of Newberg, Or., Rev. C. E. Lewis, of Newberg, officiating.

A large number of relatives and friends of the happy couple were present with cheerful greeting and bright wishes, and partook of the bountiful feast. Mr. and Mrs. Edwards will take up their residence in Newberg, where Mr. Edwards has business interests.

Friday eve at the home of her parents Mr. and Mrs. B. J. Sharpe, corner of Ferry and Twentieth streets, about forty of the young friends of Miss Laura Sharpe tendered her a birthday surprise in honor of her natal day. The surprise was genuine and the young hostess proved herself equal to the occasion in the subsequent entertainment of her callers. After numerous games had been happily indulged in, the assembly was treated to some delightful instrumental music by Miss Sharpe and Miss Lillian Bowen.

After a season of music, the young people indulged in the pleasures incident to an "old fashioned" taffy pull after which having wished their hosts happy returns of the day, the young people disbanded for their respective homes.

Union Meeting of the Pinks and Blues at the Y. M. C. A. Sunday.

Mr. John Patten of the Chenawa Indian Training School will address an open meeting at 4 p. m. Subject, Y. M. C. A. work among the Indians. This interesting address should be heard by all.

An excellent song service will take place before the address. The following well known musicians will take part: Prof. Denton, Mrs. Ella B. McDowell, Miss Leo Nicklin, The Boys' Vested Choir of the Episcopal church, and Prof. Tillson.

One hundred extra chairs will be placed in the hall so that all can have seats.

Marriage Licenses.

Late Friday afternoon County Clerk L. V. Ehlen issued a marriage license to Herbert A. Brown and Julia B. Gillogly. The happy couple were licensed to wed today to be married within an hour after it had been issued. The parties reside at Argenti. This morning a similar license was issued to M. L. Eskew and Hattie Cartwright, both of Mehama. January has been an unusually quiet month for the issuance of marriage licenses. There has been but eight licenses issued thus far this month which is in striking contrast with the large number that have been issued monthly for several preceding months. A deputy county clerk suggests that this apparent inactivity in matrimonial circles may be attributed as a result of the remarkable large exodus of the male contingent to the gold fields; that the fair damsels are awaiting the degree of success that may attend the prospecting of their "intended" before they give their heart and hand. A revival in the marriage license business is expected upon the return of the Klondikers.

To LEAVE SALEM.—G. L. L. Baskett, the popular Commercial street druggist, is preparing to close out his business in this city, preparatory to removing to Elk City, Idaho, where he will engage in the drug business. Mr. Baskett expects to close his store in this city on March 1, and expects by May 1, to be located in Elk City. It will be six years next July since Mr. Baskett engaged in the drug business in this city during which period he has formed many warm acquaintances in business and social circles, all of whom will wish him the unlimited success in his new location that he unquestionably deserves.

IN OLDEN TIMES

People overlooked the importance of permanently beneficial effects and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.

NOT ATTACHED.

The New York Racket Store Is Not Involved.

In yesterday's Oregonian a news item appeared, sent out from Salem by an error in writing a name, to the effect that the racket store of E. F. Barnes had been attached by the sheriff to secure the payment of \$800, a claim held by the Hamilton Shoe Co. This item did a well-known firm doing business in this city a gross wrong, as the New York Racket store, conducted by T. Barnes, was not attached, as that firm buys for cash, discounting all its bills, and owes no wholesale house that, or any sum of money. Nor does this firm deal with the Hamilton & Brown Shoe Co. The New York Racket store is one of the most successful business enterprises in this city and, with the capital owned by the firm, has no need of asking credit from wholesalers and manufacturers, being amply able to pay for all goods purchased on delivery.

Cattlemen's Convention.
At Pendleton, Or. February 15, 16, 17, a cattlemen's convention, embracing the states of Oregon, Washington and Idaho, will be held, and it is intended to make the meeting a grand success, a call being made to every cattle raiser in the northwest. Reduced rates have been named by the O. R. & N. from all points in the three states, and the Great Northern Railroad and the Oregon Short Line will also make similar reduction from points on their line in connection with the O. R. & N. Parties interested in cattle raising should endeavor to be in attendance at this meeting. Communicate with your nearest ticket agent regarding rates and train service. 129

Notice to Modern Woodmen of America.
The wonderful record of this order is to be continued through the year 1898. As notice has been received from the head office that there is no assessment for February, there is no assessment for the 18th charter members of "Oregon Cedar Camp" which has just been organized in this city.

Deputy Head Consul J. R. Hughes of the Modern Woodmen of America, has started to organize a camp at Independence, and we predict for him success in that city, as it is a business community and always extends a hearty welcome to representative institution.
