He is an educated man; a graduate lawyer and the inventor of a flying machine His wife, Lischen Maude Miller, is a poet of ability and passes much of her time in Boston and Chicago, but is at present in Portland following literary pursuits.

ABOUT IMPROVEMENTS.

Leading to the Possibility of Employing Labor.

At the Salem Chamber of Commerce at Eugene Saturday night. sectled on a donation land claim in hat is now known as the Looney settlement, near Jefferson. They enmeeting Saturday night Mr. George
P. Hughes brought up the practical question of establishing a beet sugar industry at Salem. No action was taken however.

The question of better roads was also

The question of better roads was also husband, who was one of the flist to start for the new gold helds, in serch of wealth. In this search they were successful, accumulating a considerable fortune during the first two years of the gold excitement. While Mr. Humphrey was meeting with success in his mine, his wife was a very acand block in which T. Holverson's dry goods store is located, began today tearing out the present front to make room for a handsome modern iron front, which will bring the display windows nearly on a level with the sidewalk and otherwise radically change the present aspect of building.

The electric Light and Power will have new heart and power was meeting with success in his mine, his wife was a very active assistant, and conducted a thriving business baking pies, bread, etc., and selling to the miners After two years in the gold fields they returned to Oregon, and Mr. Humphrey engaged in the mercantile business in Jefferson for a number of years, removing to Eugnne in 1808, Mr. Humphrey died in February and in May, 1881 the person will have new heart and Power to the miner of the miner and selling to the miners After two years in his mine, his wife was a very active assistant, and conducted a thriving business baking pies, bread, etc., and selling to the miners After two years in the gold fields they returned to Oregon, and Mr. Humphrey engaged in the mercantile business in Jefferson for a number of years, and in May, 1881 the miner of two years in the gold fields they returned to Oregon, and Mr. Humphrey engaged in the mercantile business in Jefferson for a number of years, and selling to the miners After two years in the gold fields they returned to Oregon, and Mr. Humphrey engaged in the mercantile business in Jefferson for a number of years, and selling to the miners After two years in the gold fields they returned to Oregon, and Mr. Humphrey engaged in the mercantile business in Jefferson for a number of years, and selling to the miners After two years in the gold fields they returned to Oregon, and Mr. Humphrey engaged in the mercantile business in Jefferson for a number of years, and the miners After two years in the gold fields they returned to Oregon, and Mr. Humphrey engaged in the mercantile business in Jefferson for a number of years, and the miners After two years in the gold fields they returned removing to Eugene in 1808, Mr. Humphrey died in February, 1879, and in May, 1881 the widow was united
