

A Thrilling Rescue.

A YOUNG LIFE SAVED IN A REMARKABLE MANNER.

Florence Sturdivant, of Grindstone Island, Saved from an Untimely Death—Her Dangerous Predicament.

From "On The St. Lawrence," Clayton, N. Y.

Among the Thousand Islands is one called Grindstone. It is seven miles long and three wide. The inhabitants of this island are a well-informed class of people who devote their energies to farming and quarrying for a livelihood. In the home of one of these islanders resides Florence J. Sturdivant, the four-year old daughter of Mr. and Mrs. William H. Sturdivant. She had a remarkable experience recently.

FLORENCE J. STURDIVANT.

In an interview with a reporter Mr. Sturdivant said: "Florence was taken sick in February, 1896, with scarlet fever and we immediately called a physician. He prescribed the fever subsided but Florence was left with a very weak back. Severe pains were constantly in the back and stomach. The difficulty seemed to baffie the efforts of the physician.

"Finally at the end of four months of treatment, we found our patient completely

prostrated. At this time we called an eminent physician, who agreed with the diagnosis of our physician. He prescribed a course of treatment and we followed it faithfully for three months, but instead of improving, Florence failed.

"A brother of my wife, who resided in Canada, but was visiting us, advised us to use Dr. Williams' Pink Pills for Pale People, and I gave them to Florence. This was in October, 1896. After using the pills a short time we could see an improvement. Her strength began to return and her appetite was restored. When she had taken one box the pains in her back and stomach ceased and her recovery seemed certain.

"We eagerly purchased a second box of pills and watched with delight the change for the better that was being wrought daily. Florence finally became strong enough to walk a mile. She gained in flesh and strength rapidly. By the time she had used three boxes of the pills she was evidently well. We continued the treatment using another box, for fear, to prevent the possibility of a recurrence of the difficulty.

"We cannot praise too highly the value of Dr. Williams' Pink Pills. I am positive that without their use our child would have been a confirmed invalid."

(Signed) WILLIAM H. STURDIVANT.

Subscribed and sworn to before me this sixth day of April, 1897.

H. W. MOORE, Notary Public.
