Personal Explanation.

THE JOURNAL must apologize to its readers for publishing what was a deception, or a stroke of not very brilliant wit, concerning two Salem lawyers. P. H. D'Arcy and John Carson told our local reporter at the afternoon train, Monday, that they were going to British Columbia, and it was so published. Such was not the fact, as they came back the next day at 11 o'clock. This may be a small matter to these gentlemen. It may be of no possible consequence to the public where they go or when they get or how long they stay. But we wish the public to understand that even in the smallest affairs it is the duty of a newspaper to be accurate.

THE JOURNAL has treated the accusations for which these parties were recently tried and discharged as fairly as was possible, but if our readers imagine that we or the public are trifling with grave public matters, they are bound to be undeceived.

POLITICAL MATTERS.

Union of Forces in North Dakota—California Populists.

FARGO, N. D. July 13.—Both the Populist and Democratic state conventions are in session here. The Populists adopted a platform which is a combination of those adopted at St. Louis and Omaha. The Democrats endorsed the Chicago platform. A joint conference committee reported in favor of calling the fusion party "Independent Democratic." The Democrats adopted the name, authorized a committee to name candidates for governor, attorney-general, secretary of state, justice of the supreme court, and one railroad commissioner for the Democrats, and adjourned. The Populists debated the adoption of the name until midnight without having reached a decision. The word "Democratic" is the cause of their disagreement. Neither party can get on the official ballot, except by petition, if the fusion schedule fails.

California Populists.

SACRAMENTO, July 13.—The Populist state convention met here elected Edward S. Hutchinson, of Los Angeles, temporary chairman, and W. J. Gibson, of Alameda, secretary. The election of Hutchinson was a victory for the forces favoring fusion. Representative James Maguire will most likely be nominated for governor, and E. S. Hutchinson for lieutenant-governor. The first named is a Democrat and the latter a Populist. Judge Van Wyck, Silver Republican, of Los Angeles, is slated for supreme court justice, and H. V. McCraey, Silver Republican, of Sacramento, for secretary of state. Nominations will soon be reached.

Fusion.

SPRINGFIELD, Ill., July 13.—The People's party convention held a short session this morning and appointed a committee to confer with a committee looking to a fusion of parties in the coming campaign. Governor Altgeld addressed the convention this afternoon.

A Chinese Fiend.

LONDON, July 12.—The Hong Kong correspondent of Times says: Disturbances continue on the West river. A Pakian magistrate, who had offered a reward for the capture of a rebel chief, was himself captured by the chief. The latter drenched the magistrate with kerosene and burned him, afterwards butchering the magistrate's family and flinging the corpses into the river. It is said that the corpses were seen floating past Wu Chau.

The Judgeship Contest.

In the case of P. H. D'Arcy vs. R. P. Boise, a motion of defendant to strike out a portion of the further and separate reply, was submitted before Judge George H. Burnett, of Department No. 1, without argument, Tuesday afternoon and overruled. This morning the prosecution filed a motion to have the time of trial as to three counties, Linn, Yamhill and Tillamook fixed, and also for an order permitting petitioner to withdraw his contest so far as the same concerns Marion county, upon the ground that owing to the absence of ex-Clerk L. V. Ehlen, the custodian of the ballots, petitioner is unable to show that the ballots have been securely kept, and for this reason the contest so far as this county is concerned is abandoned. Mr. D'Arcy also states in this motion that considering the suspicion that has been cast upon the correctness of the count in this county he would not be willing to accept the office unless he has a majority over Judge Boise without considering the votes in question in this county. Judge Burnett ruled that this county could be omitted from the case as prayed, and will this evening fix time of trial for other counties.
