GERMANY IS STRICTLY NEUTRAL.

Official Declaration by Our Government of a Friendly Feeling.

Rumors of an International Breach are Entirely without Substance.

WASHINGTON, July 28.—In reply to a special message from the American minister at Berlin to the American government, which was to the effect that the government of Germany was adhering to its friendly policies, it was learned today that the government of Germany had issued a special declaration denouncing all suspicion of a breach of international friendship.

WASHINGTON, July 28.—The Ogden and Navajo Republics have notified the United States government that they have no intention of annexing the territories or any part thereof.
