

SYRUP OF FIGS
NEVER IMITATED IN QUALITY

THE EXCELLENCE OF SYRUP OF FIGS
is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not grip nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

CALIFORNIA FIG SYRUP CO.

Originality in Printing

Do you want to buy it, or the imitation? There is shoddy in clothing; and its user is subject to keen criticism. A business man travels within a limited sphere—but his printed matter goes broadcast where his personality can not soften adverse impressions. The kind of printing you do creates no adverse impressions. Try us with the next lot of bill heads or envelopes.

Troubles Are Over.
LONDON, July 29.—The Hong Kong correspondent of the Daily Mail says the viceroy of Canton has announced to the foreign office the complete suppression of the rebellion in those districts. He has announced also that four cities have been re-occupied by the imperial troops.
The Hong Kong correspondent of the Times says Li Yap Yau, the leader of the rebellion in the province of Kwang Si has proclaimed a new dynasty styled "Yast-Progress." His proclamation, he says, was issued because a great and pure dynasty is weak, because the mandarins are oppressive and because foreigners are taking Chinese territory. He has rebelled, and heaven has signified its approval by causing several cities to fall into his hands.
According to telegraph from Wuchow the city of Wungan has been captured and 1000 rebels has been slain. The rebellion in Kwang Si province is almost quelled.

FROM A SUFFERER.
How A. Cooper Had a Rotten Bone Healed After 35 Years.

CHEHALIS, Wash., April 9, 1898.
Dr. J. F. Cook, Salem, Or:
I received your letter and was glad to hear from you. You want to know how my leg is getting along. It is all right; the flesh is growing out over the shin bone and is turning white. It is not straight yet, but I think it will be as straight as the other leg when warm weather comes on. I can work most of the time. The other doctors told me I could never be cured without splitting it and scraping the bone, but they are mistaken. It is getting well without cutting or scraping, so they do not know as much as they thought they did, but you are all right, for you have done just what you said you could do. I will answer any questions you ask about my leg, very truly yours,
A. COOPER.

Points About Revenue Stamps.
Be sure and stamp your deeds. The notary's acknowledgement of the deed does not require stamp.
Be sure and stamp checks—2 cents for any amount. Receipts do not require stamps.
Both the mortgage and the promissory notes for which they are security require revenue stamps. The mortgage should not be recorded when no stamp is on.
An ordinary jurat of a notary requires no stamp, but a certificate from a notary as to any particular fact or act does require a 10 cent stamp.
On excess baggage the railroad company must give a bill of lading with a stamp on it.
For the purpose of the revenue law a bill of exchange is not what is technically called "foreign," when drawn in one state upon a person in another. Take care to have your insurance policies stamped.
The banks buy stamps in large lots and get a discount of 2 per cent on all amounts over \$100.
Commission merchants don't have to pay war license, as was at first supposed.
There is a special war tax on tea. Beer is taxed to run the war.
People who run billiard tables or bowling alleys have to pay a license of \$5 to the United States in addition to whatever local or town license they may have to pay.
The theaters in Salem will escape the tax. In all towns of over 25,000 people the theaters are taxed.
Tobacco in every form is heavily taxed.

CLYMER ITEMS.
I wish the JOURNAL would call the public attention to the game laws. They are being disgracefully violated in this section. Men with dogs and guns poaching through fields of standing grain, destroying birds not half grown, as well as treading down the grain.
The redoubtable Brigadier General Lieut. Col. Capt. Ormsby passed here amid the salutations of the natives and waving of flags. An affecting meeting took place between him and John Humphreys. The footwashing will take place later.
The prosperity wave struck here and carried away one of Mr. Hunt's fat steers. The second beef clandestinely removed from his pasture in two years. Two heaves, a score of sheep and a load of poultry is a pretty heavy levy upon one man in two years—Such booming times too.

Barnhart Station—Workmen on the O. R. & N. railway near here have unearthed five human skeletons. With these were found a brass kettle and a silver teaspoon bearing the initials J. M. C. and the English crown. The nerveless man is a fit subject for compassion, but hope points to the Bitters as a remedy. It sends rich blood coursing through every vein cures dyspepsia and malaria.

ASTORIA—The Push Club is making an effort to devise some means of improving the county roads leading out from Astoria. They are now figuring for a small portable sawmill that can be used along the county roads for cutting material for their improvement.
