LONDON, Sept. 2 .- The war office was relieved by the receipt of a dis patch from Cairo, explaining the sudden interruption of news from the Soudan, which gave rise to some uneasiness yesterday as to the movements of the Anglo-Egyptian column now advancing toward Omdurman, under Sir Robert Kitchener, Telegraphic communication was interrupted by storm. An Associated Press dispatch from Nazey Island, The Poisoned Candy Was Purdated August 30 says.

"There have been glimpses of the enemy during the last few days, and the first skirmish took place yesterday when an advance guard of cavalry located a large body of deryishes at a supposed outpost, about eight miles north of Omdurman. The enemy showed a disposition to tight. The Montmorency troops emptied a few dervish saddles and three gunboats steamed upon the front of the town and shelled the dervishes' position. The enemy's loss could not be ascertained, as the deryishes were in a hollow, but the fleeing troops could be distinctly seen. The army is moving

If women will only learn, and teach their daughters, the supreme importance of keeping the distinctly feminine organism in a perfectly vigorous and healthy condition, this ever-recurring tragedy will soon be a story of the past. If women who suffer from weakness and disease of these delicate organs will write to Dr. R. V. Pierce at Buffalo, N. Y., they will learn that it order to recover and maintain their health in this respect, it is not generally necessary order to recover and maintain their health in this respect, it is not generally necessary to submit to the humiliating examinations and local applications insisted upon by physicians. In writing confidentially to Dr. Pierce, a woman places her case, without charge, in the hands of an eminent and skillful specialist, for thirty years chief consulting physician to the Invalids' Hotel and Surgical Institute at Buffalo, N. Y.—one of the leading medical institutions in the world, with a staff of nearly a score of eminent practitioners. Dr. Pierce's Favorite Prescription cures all weakness and disease of the organs distinctly feminine. Honest of the organs distinctly feminine. Honest druggists recommend it instead of urging a substitute for a little extra profit.

"I have been a great sufferer from female disease," writes Mrs. C. C. Clark, of New Rome, Floyd Co., Ga. "I was confined to my bed three years. Nine bottles of Dr. Pierce's Favorite Prescription completely cured me."

Dr. Pierce's Good temper is largely a matter of good health is largely a matter of health; and good health is largely a matter of health, activity of the bowels. Dr. Pierce's Fleasant Pellets cure constipation. They are safe, sure and speedy, and once taken do not have to be taken always. One little "Pellet" is a gentle lazative, and two a mild cathartic.
