### HE WAS WELL MADE UP.

The Cause of a Wonderful Ills Made by the Late Bill Nye. James Whitcomb Riley tells a quaint story of his former lecturing partner, Bill Nye. It was the opening of their joint season that they had both been rustling during the vacation and were brown as berries. Nye looked much like an Othello in his sunburned make up, and Riley suggested to him the application of some "liquid white," a cosmetic much affected by the gentler sex of the profession.

### THE EXCELLENCE OF SYRUP OF FIGS

is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the California Fig Syrup Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get the beneficial effects, please remember the name of the Company— CALIFORNIA FIG SYRUP CO. SAN FRANCISCO, CAL. U. S. A.

### MARRIAGE OF OFFICERS.

The Armies of Europe Have Various Rules Regarding It. The restrictive conditions at present in force with regard to the marriage of officers in the Russian army forbid this privilege under any circumstance in the case of officers under the age of 23. Beyond the ages of 23 and 25 years the duty of an officer's wife cannot amount to a sum representing the minimum income of 250 rubles yearly. On comparison of these conditions with those regulating the same question in other European armies it may be noted that in the Austria-Hungarian army the number of officers authorized to contract marriage is limited by a fixed proportion assigned to each grade, and these totals being reached, all further marriages must be deferred pending the occurrence of vacancies in the married establishments.
