Friedman Is Delighted!

That a senator has been elected and it was all brought about by Friedman withdrawing of his name from the senatorial contest. His reason was that should he be elected senator he couldn't sell his mackintoshes, rubber boots and shoes, his clothing, hats, dry goods, laces, ladies' and gents' furnishing goods. As it is you can purchase all the above lines of goods from Friedman, where you will save from 25 to 40 more percent, than if purchased elsewhere. Remember the place, corner State and Commercial.

There will be on exhibition in Friedman's window for 10 days a crochet bed spread and a pair of pillow shams made of No. 80, Barbour's Linen thread.

WASHINGTON, Oct. 11.—The American commissioners have notified the Spanish authorities at Havana that the United States assume entire control of Cuba, military and governmental December first. The same control will be exercised in Porto Rico, Oct. 18th.

NEW YORK, Oct. 11.—Dispatches to the Herald from Santiago say the American officers sent to inspect Barcoo and Sagua de Tanamo, returned and report dreadful destitution. General Wood will send rations, cloth, stuff and clothing to Barcoo, Sagua, Gibara and Baloo. Wood issued instructions that free rations will be given to women and children only. The men, it is said, will not work as long as they can find free food.

SAN FRANCISCO, Oct. 11.—General Merriam has decided to send to Manila upon the transports Valencia and Ohio the First Washington regiment and battery A California heavy artillery. Colonel Wholley of the Washington regiment was instructed to make necessary preparations for embarkation of the command about October 18th.

LONDON, Oct. 11.—A dispatch to Exchange Telegraph Company from Paris says the United States and Spanish commissioners are at entire variance on the question involving the disposition of the Philippines and have referred the matter to their respective governments.

CONSTANTINOPLE, Oct. 11.—Turkey has accepted the demands of the powers for the evacuation of Crete.

A SUICIDE

Who Hung Himself From a Tree in a Field.

(Special Dispatch to The Journal.)
MUNKERS, Oct. 11.—Saturday evening while hunting in Jacob Shilling's fields, two miles west of Munkers, R. B. Goin discovered the body of a man hanging from a tree. The body was not disturbed, but left as found, awaiting the arrival of the coroner. The corpse was viewed by a number of people, but no one remembers seeing him before, and he must be a stranger. His age was from 45 to 50 years, dark hair, has rather tall, weight about 140, whiskers pretty gray, intelligent looking, wore good working clothes.

Mr. T. B. Radford remembered his having been at his house for about a week a year ago when he resided near Tangent, but had forgotten his name, and that he had stated that he had no relatives anywhere. The man had been in a sickly condition, having suffered for years. Appears to have died without a struggle as the features are not distorted. He used a three eight inch rope doubled, tied to a limb 14 or 15 feet from the ground passing the lower end around his neck in the manner of a half hitch and slipping off a limb two or three feet lower than the one the rope was tied to. The coroner arrived at 5 o'clock and the following jury was impaneled: F. J. Denny, S. A. DeYaney, J. J. Barnes, R. B. Miller, I. J. Bradford, B. F. Ramp, Drs. Hawk and Brown were examining physicians. The examination failed to give any clue to his identity. Nothing was found on his person except a pair of spectacles and some bits of lead. The jury returned a verdict of suicide as a matter of form. The body was buried at the county graveyard. It is believed his identity will later be established.

A great many ancient claims have been unloADED upon the taxpayers at this special session. The general appropriation bill has not gone to the printer but may tonight and will be before both houses Wednesday.

The senate passed a bill to pay all volunteers \$1.50 a day for time not paid for by general government.

Flagg has passed his \$10,000 salary reduction bill in the house and is working hard in the senate. He says the man can't live politically who votes against it.

"Fish" Myers will get his appropriation for his expenses in having gold medals prepared for the World's Fair Board.

The state treasurer's demand for an extra clerk was turned down.

The offer of the Ashland Normal school to turn over all its property, amounting to \$15,000, in lieu of an appropriation for two years, will probably be allowed, as Speaker Carter is making the fight of his life, and it is the only institution of the kind in Southern Oregon that can get any help at this time. If it is defeated it will be difficult for any Normal school to secure aid.

HOUSE—MONDAY EVENING.
Seven bills were acted on, two being passed and five defeated, as follows:

H. B. No. 12, Young.—For the protection of elk. Passed.

H. B. No. 13, Flagg.—Fixing the salaries of county officers of Marion county. Failed to pass.

H. B. No. 15, Topping.—For holding teachers quarterly public examinations. Defeated.

H. B. No. 16, Kruse.—For relief of suffering. Defeated, 7 to 40.

H. B. No. 21, Ross.—To authorize corporations to act as guardians, administrators, etc. Defeated.

H. B. No. 20, Hill.—To create the office of clerk in justice court, etc. Passed.

H. B. No. 33, Ross.—Abolishing tenancy by entireties. Defeated.

When the house adjourned Monday afternoon it was until 7 o'clock Monday evening.

There are quite a number of bills before the house and the members desire to clear up all pending business before adjournment. The evening session was short, however, adjournment being taken before 9 o'clock.

There was considerable discussion of the measures acted on. In reference to H. B. No. 13, Maxwell asked if it reduced the salaries of the present county officers, and on being informed that it did, voted no. Mr. Flagg then read the plank of both the Republican and Union parties, pledging reduction. Cummings then made a protest against reducing the salaries of the present officers, claiming that the officers do not desire it, and the people do not expect it.

On roll-call, Cummings and McCourt, of the Marion county delegation voted against the bill, and Flagg and McCulloch voted for it. On the announcement that the bill had failed to pass Flagg changed his vote to no, in order to move a reconsideration before the full house. The vote was 28 for and 15 against the bill, the affirmative vote being less than a majority of all the members of the house.

Reeder opposed the passage of H. B. No. 21, on the ground that it was one of the bills for increasing the power of corporations. And he thought that individuals were better qualified to act as guardians, administrators, etc. besides being amenable to the criminal law, from which corporations are practically exempt. One of the friends of the bill thanked Mr. Reeder, with intended irony, for his speech, but it had the effect of defeating the measure.

In fact, the house seems a little inclined to sit down on the Multnomah delegation.

SENATE—MONDAY AFTERNOON.
H. B. No. 6.—Mr. Moody's bill admitting foreign attorneys to practice.

ULTIMATUM

Has Been Sent to the Indians.

Unless They Make Peace Terms at Once,

More Soldiers Have Been Sent to the Front.

(Associated Press dispatch to Journal.)

CHICAGO, Oct. 11.—Orders have been received at head quarters here from General Bacon, in command of the department of lakes and Dakota to have the Fourth Infantry at Fort Sheridan and Seventeenth infantry at Columbus Barracks, Ohio, held in readiness for immediate service at the scene of the Indian troubles in Minnesota.

MINNEAPOLIS, Oct. 11.—Bacon this morning wired Colonel Sturgess to send forward all remaining soldiers of the third at Fort Snelling.

MINNEAPOLIS, Oct. 11.—A special to the Journal from Walker says a conference expected to take place today between the Pillager Indians and Commissioner Jones will not be held. After a council yesterday it was decided not to send runners with the Bacon ultimatum until the messengers sent by Father Alloysius return to the agency. Chief Flatmouth withdrew to his camp north of the agency. Other chiefs went to their homes.

It is said the Indians are displeased with that past Bacon ultimatum in which he threatened to chastise them unless they submit. That will make no difference however. The terms offered are the best that will be made and unless the Pillagers accept vigorous efforts will be made to bring them to terms by force.

MINNEAPOLIS, Oct. 11.—The Journal correspondent at Cass lake wires: "An Indian runner from the south passed in the night going north and from him information of a serious nature is obtained. The hostiles at Bear island have learned that General Bacon intends attacking them and are busily preparing to resist. The Indians are well posted on everything that goes on at agency. Runners are busy urging reinforcements. It is estimated by woodmen
