WEDNESDAY, DECEMBER 7, 1898. Daily, One Year \$3.00, in Advance

AMERICAN CONTROL.

Students of public questions, who are interested in the development of the West, and interested in the welfare of the American producer, would caual, so much talked about.

Do they mean American ownerownership by an American corporation, or by a private corporation under American law? There are several kinds of "American ownership."

Warner, who has been drawing \$20,-000 a year while there was money in "American control." What is true ber 8. Amreican control? It is only to be The principal of the referendum ducer for all time to come.

is for a canal under American control, legislative body. More important The United States cannot consent to than that, they can prevent the enthe surrender of this control to any actment of any law by an unscrupu-European power or to any combina- lous legislative majority in deflance tion of European powers. Our com- of public sentiment. mercial interest in it is greater than

course, chose the Panama route."

Mr. Miller reviews the organization of the old Panama company; its work in the United States to block the Nicaraguan schemes; the failure of the old company and the formation of a new Panama Canal Company for the purpose of keeping alive the concessions from Colombia. Continuing, Mr. Miller says:

"Now when there seems to be a great probability of the United States government aiding the Nicar. agua canal enterprese, the new Panania company appears upon the scene to procure or preyent legislation, not with a large amount of money, but by the simple exercise of cheek. They sumption first attacks his stomach, then his blood, then his lungs, then every organ in his body. Many doctors assert that when a man is once in this deadly web there is no escape. That is a mistake. Thousands have testified to their recovery from this disease by the use of the right remedy. Many of their letters, together with their names, addresses and photographs, appear in Dr. Pierce's Codden Medical Discovery. It but feasible in Nicaragua. President the remedy that saved them was Dr. Pierce's Codden Medical Discovery. The case supreme continue of the right remedy that saved them was Dr. Pierce's Codden Medical Discovery. It is the great blood maker, fleshbuilder and germ-ejector. Druggists sell it.

"Your' Favorite Prescription' cured my little the supreme continue of the suprementation nection with the Panama route. The Culebra pass has been found, according to his statement, perfectly easy of execution. But a commission of French engineers, sent out by the French government soon after the failure of the other company, made a most voluminous report, which I have recently extended and I do not find anywhere in It that the commission eversald that the route is feasible.

Over a thousand pages of good home medical advice free. Send twenty-one one-cent stamps, to cover mailing enly, to World's Dispensary Medical Association, Buffalo, N. Y., for a paper-covered copy of Dr. Pierce's Common Sense Medical Adviser. Cloth binding ten cents extra. A veritable medical library in one volume, They all said that if certain possible

contingencies did not happen the canal might be constructed for something like \$1,000,000,000. This, M. Hutin will whittle down to \$100,000,-

Mr. Miller then enters into an analysis, from an engineer's point of Dally, Pour Months \$1 00, ir Advance, view, of the difficulties to be over Waskly, One Year \$1.00, in Advance come in the construction of the Panama canal, and concludes by stating that in support of the claims of M. Hutin and his assistants, we have only their statements. He adds

"They admit openly that they come here to persuade this government or congress to do nothing in like to know what is meant by favor of the Nicaragua canal, for they "American Control" of the Nicaragua know yery well that the moment it is decided by the American people, through its government, that the ship, by the American government, or Nicaragua canal shall be built, they cannot longer procure money from the confiding people of France to be wasted in an impracticable scheme.'

We print below the statement of DIRECT LEGISLATION IN SOUTH DAKOTA.

South Dakota is the first state in sight. It will be seen that he has a the union to adopt the system of plan of "government control" with direct legislation by the people. Althe "government" back of the control, though the official returns have not but the "control" really in the hands been received, it is conceded that the of a private corporation. Read the constitutional amendment making statements patiently, dear reader, provisions for the use of the initiayou are an Amorican citizen and you live and referendum was approved by want the Nicaragua canal under popular rote at the election of Novem-
