The editor of THE JOURNAL asks indulgence of readers to make a statement. The light of this paper for the Salem sity charter and for the Daly test-book bill at times became intensely personal. The opposition to these measures, which we regarded as of the greatest importance to the people, to the proper growth and development of the Capital City as well as to the welfare of our public schools, was very strong and well orrunized. This opposition had to be vercome without the use of money.

Infants are effected ! foods taken by the nursing

Prof. W. B. Cheadle, of Mary's Hospital and author of a treatise on the feeding of infants, has shown by experiments that wasting diseases, will result from depriving children of fats and hypophosphites.

Dr. Thompson says Codliver oil is what such mothers and infants require. "Scott's Emulsion" is pure Norwegian Cod-liver oil with hypophosphites.
