SALEM PEOPLE and OTHER PEOPLE

Readers at Salem and other Oregon towns are requested to send in items of personal and social news to appear in the The Daily and Weekly Journal.—Ed.

Governor Geer has signed the bill to grant Miss Iva Templeton \$5,000.

A Salem photographer offers her patrons a chance at a diamond ring. It is not one of her old engagement rings.

General Attorney Blackburn, District Attorney Brown, Deputy L. T. Harris and Judge W. C. Hale were before the supreme court today arguing the Branton murder case.

L. W. Benson is happy over having bought him a good home in North Salem, just two blocks north of the school house. It has a good big garden spot and went very cheap as at once of the assets of the Williams & England Banking Co.

Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or roaring in your ears, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; many cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

A Ghoulish Act by a Woman. EDITOR JOURNAL:—After the mourners and friends had returned home from the burial of little child last Sunday, the mother expressed a wish to have a few of the decorations which covered the grave, as members of the family returned to the cemetery for the purpose of getting them. Their surprise was great on arriving there to see a woman and two girls helping themselves to the beautiful ribbons, baskets, etc. The girls were apparently on the lookout and said to the woman, "If they are someone coming," whereupon they started off as fast as they could walk, the white ribbons fluttering from under the woman's cape.

The law in regard to despoiling grave decorations is very severe, and would land the perpetrators in the penitentiary for a term of years, this work has been practiced quite frequently at the cemetery and it is to be hoped that the parties will cease. This time the people were caught in the act, and are known. If anything of the kind occurs again their names should be published.

Former Salemite Dead. Mrs. George Collins, of this city, has received the sad news of the death of her sister, Mrs. J. W. Scott, of San Francisco. The deceased lady was about 58 years of age, and her death, which was caused by cancer, occurred at 12:30 o'clock noon, Friday, the 17th inst. Several years ago Mrs. Scott resided with her husband in this city and Albany, for a period of about two years, and was quite well-known in this city. Mrs. Scott visited Salem about two years ago, on which occasion she enjoyed a visit with old acquaintances and formed numerous other friends, all of whom will previously learn of her death. Miss Edna Scott, a daughter of the deceased, is quite well and popularly known here.

WHEELMEN PLEASED

Passage of a Bicycle Bill Hailed With Satisfaction.

Construction of Paths Will Begin at Once, and Continue Through the Summer.

The passage of the bicycle bill by the legislature Saturday and the assurance that it has been received from Governor Geer that it will be signed, delighted the army of wheelmen and the membership of the United Wheelmen Association, who were largely instrumental in securing the measure, feel that they have not lived in vain.

It is the intention to begin active work on bicycle paths immediately. Multnomah will build south to Clatsop county, which, in turn, will build north to meet the Portland path, and south to meet one which Marion county will construct. It is expected that a path clear through to Salem will be in working order by the 1st of May, the real beginning of the bicycle season.

The tax regulation will naturally meet with considerable opposition among a certain class of riders, but the majority will be well pleased with it. The provision will be rigidly enforced, and members of the wheeling association will constitute themselves a committee of the whole to report all riders who try to dodge payment. A tin tag which will be affixed to every bicycle under the law.

Following is a copy of the bicycle bill, together with a list of the counties exempted by the legislature.

THE GRAND JURY

Completes its Work in a Very Expeditious Manner.

At 5 o'clock Monday, Judge Burnett adjourned court to Thursday at 9 a. m., when the ballot fraud cases will be taken up.

The grand jury Monday evening returned bills as follows: J. W. Lakeham, larceny in a store, true bill; E. Chittenden, larceny by baillee, true bill; D. B. Watson, larceny of an overcoat, not a true bill; Jule Picard, selling liquor without a license, not a true bill.

John Lakenan, indicted for larceny in a store, against whom a true bill had been returned, was called for trial but failing to put in an appearance, his cash bail of \$200 was forfeited.

DOCKET ENTRIES.

W. P. Hurst, respondent, vs. P. G. Gillingham, appellant, appeal from justice court. Judgment for plaintiff on verdict.

T. J. Jackson, appellant, vs. F. W. Durbin, respondent, appeal from the recorder's court. Plaintiff's motion for a new trial overruled. Judgment for defendant on verdict.

M. V. Kays, respondent, vs. D. H. Looney, et al., appellants, appeal from justice court. Plaintiff's motion for a new trial overruled. Judgment for defendant on verdict.

J. E. Hedrick, respondent, vs. L. J. Priest, appellant, appeal from justice court. Defendant's motion for judgment and motion for judgment on pleadings, notwithstanding the verdict, argued and both overruled. Judgment for plaintiff against defendant and his surety on appeal on the verdict and for disbursements of lower court, without costs of this court being allowed to either party.

The Marion county grand jury presented itself at 4:30 and informed him that it had completed the duties and was discharged. The grand jury failed to file the usual white washing report relative to the county and state institutions and its work.

The grand jury was composed of substantial taxpayers and transacted business with great dispatch, being in session seven days only.

Before being discharged the grand jury rectified the clerical error that had been discovered in the indictment it had returned against those charged with tampering with the election returns in this county at the last June election. The bonds of the several defendants were drawn anew and resigned by the several sureties.

The following table gives the expense of the grand jury:

H. P. Foble, foreman	\$14 20
H. D. Patton	14 20
W. E. Lier	20 00
L. B. Carter	17 60
E. A. M. Cone	20 00

"Honesty is the Best Policy."

Never was a more pointed saying put into print, and yet to be honest only because it is policy is a poor kind of honesty. Better change "policy" to "principle" and the world will like you better. In the medical world there is one medicine honest for principle's sake—and that is Hood's Sarsaparilla.

It is the specific of the age for all blood troubles. The liver, kidneys and bowels are all toned up by its action as a cleanser and thus good health ensues. It never disappoints.

Scrofula.—After 20 years of suffering with a cancerous sore on her nose and having it removed by physicians, my mother is happy for being completely cured by Hood's Sarsaparilla. It took 11 bottles to accomplish it. Her face is smooth, no scar. Miss E. A. Stokes, Eppling, N. H.

Malaria.—I was very low with malaria. My doctor did not help me and scolded because I would not stop work. Took Hood's Sarsaparilla and got sound and well. Can eat, sleep and work well. Mrs. J. L. Storking, Bath, N. Y.

Eczema.—My mother's face was covered with eczema, face, hands and feet were swollen. Hood's Sarsaparilla cured her. We keep it on hand and recommend it highly. Mrs. E. E. Jenkins, 407 Government Street, Evansville, Ind.

Sick Headache.—I am now 22. Since I was 8 years old I suffered constantly with impure blood, biliousness and sick head aches until I took Hood's Sarsaparilla by doctor's advice. Love my life to it. Mrs. A. Rumbell, Claremont, N. H.

Stomach Trouble.—Two years suffering with stomach trouble, my stomach ran down, with severe headaches. Life was a burden to me until I took Hood's Sarsaparilla which cured me. It makes my children strong and healthy. Mrs. M. Bach, 611 24 St., N. E., Minneapolis, Minn.

Hood's Sarsaparilla Never Disappoints. Hood's Pills cure liver ills, the non-digesting and only cathartic to take with Hood's Sarsaparilla.

The compensation of the collector will be regulated by the sheriff or other collector of taxes, subject to the limitation in this section provided.

9. The money collected by the provision of this act, less the cost of receipts, tags, and compensation of the collector, shall be deposited in the county treasury and shall be known as "the path fund," and with such fund there shall be constructed, maintained and repaired along the public highways, and such other places as may be thought advisable by the county court or board of county commissioners within the county, such suitable paths for the use of bicycles and pedestrians as may be determined upon by the county court or board of county commissioners.

Such paths shall be constructed in such manner that they will not materially interfere with any roads, streets or crossings, and when so constructed it shall be deemed a misdemeanor for any person or persons to in any manner injure or deface said path, to place tags, glass, wire, iron, sticks, stones, or any other object or substance upon said path whereby the safety of the path is imperiled or injured to the bicycle or any part thereof, or to the rider or to a pedestrian, result or liable to result. Any person injuring any path provided for by this act shall upon trial and conviction be fined not less than \$10 or be imprisoned for not less than five days or both, in the discretion of the court.

11. These paths when so constructed shall be exclusively for pedestrians and bicyclists, it being the object and intent of this act to provide for pedestrians and bicyclists a highway separate from that used by teams and horsemen.
