### Of Fillipinos Are Repulsed.

Island of Negros Peacefully Acquiesces.

And Sends Congratulations to General

By Associated Press to the Journal. NEW YORK, March 7 .- A dispatch to the Herald from Manila says: After the insurgents had been

Mariquina they came back five bendred strong and cut off a company of the First Nebraska volunteers.

This moraing General Hale sent out three companies of the Nebraska regiment, two companies of the Second Oregon, to dislodge them. The enemy who were holding a strong position among the rocks fired excellent volleys at the advancing Americans but the latter, by a flank movement drove the Fill pinos over the

No sooner was this fight well under way than the insurgents south of the signed . water works, knowing that the forces there had been weakened by sending troops to Mariquina, attacked the water works in the rear.

Their fire was beavy and our small loss was due solely to bad marksmanship of the Filipinos. The enemy's dead numbered twenty. Five Americans were wounded.

WASHINGTON, March 7 .- A cablegram from General Otis at Manila, orders for service for the Philippines. received in Washington, indicates the satisfactory and agreeable reception and Alleghaney regions are suffering from a flood. Devastating fires are ragaccorded to the American troops which recently landed at the island of Negros. They were sent there by General Miller at Ilo Ilo, in command of Colonel Smith, to take formal possession for the United States, which he did without trouble

Previous to the time the troops landed, a commission from the island visited General Otis and said they more like July than anything else. The thermometer in many places went today. Mrs. Angell is the woman here. Great damage is being done to who it was contended, had been mar-crops and saked past the S5 degree mark and in one or two places almost touched 90. Should were willing to surrender, and asked past the 85-degree mark, and in one or two places almost touched 90. Should that he take the inhabitants under this warm weather be very extended, crops will suffer considerably. his protection. The congratulatory address to General Miller, embodied TO 75 CTS. . . in General Otis' dispatch, is partic-PER SACK. ularly gratifying to the officials of the administration, as they believe that the feeling among the inhabitants of tion, at the capitol, Monday and the telend of Negrot is such that Tuesday. The organization was efthe island of Negros is such that there will be no trouble in dealing Howard, of Portland, president; H. with them hereafter. General Ocis' dispatch is as follows:

"Following from Ho Ho, 4th inst. " 'Government, congress and inhabitants of Negroes to General Miller, Ilo
