Marion County Finances.

County Clerk W. W. Hall and Treasurer A. L. Downing have computed the warrant indebtedness of Marion county as it existed on the first of the current month. They also reckoned the county's resources on the same date. The report indicates a deficiency of about $12,000.

The couty's liabilities April 1, amounted to $155,173.60 being distributed among the several accounts as follows.

Warrants drawn prior to Oct. 15, 1898	$ 75,372 42
Interest at 8 per cent	6,029 79
Warrants drawn after Oct. 15, 1898	24,040 62
Interest at 6 per cent	300 51
Warrants called (not bearing interest)	2,378 79
Interest on these before called	214 09
Warrants in hands of clerk	909 16
State tax	45,928 22
Total	$155,173 60

The resources of the county at the same time, amount to $143,013. Of that amount $1,685 70 was cash in the hands of the county treasurer, the remainder being apportioned among the 1896, 1897 and 1898 tax rolls.

The county's resoures are given as follows:

Cash in hands of treasurer April 1	$ 1 685 70
Due on 1896 tax roll	4,849 44
Due on 1897 tax roll	4,335 95
Due on 1898 tax roll	132,141 94
Total	$143,013 03

The total list does not include the item of $6,005 18, that amounts representing the unpaid taxes on certain property bid in by the county for delinquent taxes in 1892.

The tax rolls are however, subject to a big discount, while the liabilities generally increase.

New and Original Advertising.

It is interesting to watch the new ideas always to be found in the advertising of Hood's Sarsaparilla. The present line of advertisements is especially unique, each beginning with a familiar proverb and leading up to the good qualities of this famous medicine. The argument in every case is clinched by condensed testimonials from people the medicine has cured. It is gratifying to see the continued success of an article of genuine merit. While other preparations come to the surface and after a short time disappear, Hood's Sarsaparilla has steadily maintained its place in public confidence. 5

The Dabney Boy.

The venerable Rev. Dr. R. L. Dabney is well known in this country and abroad. Upward of twenty years ago his youngest son, Louis, was a sharp-witted lad, who promised to become a respected "chip of the old block."

The lad was whipped one day for an act of disobedience, and then had to undergo the most trying ordeal of sitting quietly on the sofa. He became deeply absorbed in thought and presently asked:

"Ma, why did you whip me?"

"so as to make you a better boy," was the response.

Louis again became lost in thoughtful reflection. Presently he blurted out:

"Ma do you believe in prayer?"

"Yes my son,"

"If you were to ask God to make me a better boy do you think He would grant your prayer?"

"I think he would, son.,"

"Well, then, ma, I wish you would pray a little more and whip a little less"—Pittsburg Dispatch.

Beware of Ointments for Catarrh That Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
