SECOND SESSION.

Preliminary Arrangements of the Peace Conference.

The Cza- Sends His Sincere Thanks and and Warmest Wishes.

fly Associated Press to the Journal THE HAGUE, May 20.—Second sitting of the peace conference took place this morning and lasted 35 minutes. President conference read the replies of the Czar and Queen Wilhelmina, to telegrams sent to them by the conference Thursday. The president then ad-dressed the delegates on the subject of the labors before them.

The president proposed that though the principal of secrecy be maintained, communications might be made through the press bureaus, subject to the approval of the president. This was

The proceedings today passed off without an incident, only the president spoke, the others manifesting their opprobation by slight discreet murmurs. Several of the chief delegates leaving Hague for a few days, pending the pre-liminiary work of the commission. Baron De Staale received the following

"The Emperor begs that you be inter-preter to the conference of his sincere thanks and warmest wishes. My august master charges me to impress upon your excellency how much his majesty is touched by the telegram ad-dressed to him." (Muravief)

THE HAGUE, May 20 .- It was learned luring the day that M. DeStaal, placed the question of mediation and arbitration in the forefront during his speech today, the question of laws of war, rendering war as humane as possible was then toched upon by the president and he relegated the question of reduc-tion of armaments to third place. tion of armaments to third place.

It is now considered certain that medplace in the work of the conference. The opinion is unanimous that American and British delegates will take an important part in the discussion of this of preferred and \$20,000,000 common stock. The present issue will be limited to \$34, 1000,000, divided into 170,000 \$100 shares of preferred and the same amount of preferred and the same amount of preferred and the same amount of the same am
