L. W. Stone,

Antia, Iowa, served his country during the late war at the expense of his health. The story concerning his restoration to health is given below in his own words.

"When I returned from the army my constitution was broken down. I suffered extreme nervousness, and indigestion. Physicians did not help me until one prescribed Dr. Miles' Nervine, and today I am in better health than I have been for thirty years."

A PATRIOTIC GERMAN.

Who Made the Same Mistake That Rev. Grannis Did.

An elderly German who arrived in Portland the past week, from Silverton was surprised to see so many black, red and white flags displayed on every street. The German flag is black, red and white, and the Woodmen of the World use the same colors in their flag, but arranged different. The stranger paid no attention to the arrangement of the colors, and so mistook the flags hung out in honor of visiting Woodmen for German flags. Happening to meet a German friend who is a bit of a wag, the old man asked why so many German flags were "hung on our outer walls," as it were. When told that there was to be a German picnic the next day he said: "That is fine. I must stay and see that." Then he asked what "W. O. W." stood for on the flag, and was told they stood for "William of the World," a compliment to Emperor William. The old man was delighted, and exclaimed: "Herr Gott! that is fine. I thought the Americans were not feeling kindly toward the Germans, but that must be a mistake, or they would not put out so many German flags for the picnic," and the old man, who is a loyal citizen, was much pleased to think that such a kindly spirit was shown to his countrymen.—Oregonian.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

CROPS AT BUTTEVILLE.

Farmers Discouraged at the Weather Conditions and Lateness of Spring

A. E. La Roque, a prominent hop grower and pioneer, returned home this morning via steamer. Upon being interviewed by a Journal reporter he said the general condition of the hop and wheat crop around Butteville was fair, yet fall wheat was looking quite funny and yellow and unless the conditions change for the better soon the wheat crop will be materially shortened and at best it cannot make an average crop. Mr. La Roque says the French Fratric farmers are badly discouraged owing to the late wet spring. Not many potatoes have been planted and every kind of farm work is retarded. Hops are looking fine but the weeds are getting in their work while nothing can be done on the land. It is the most discouraging thing I have experienced in 20 years, and the ground is wetter now than in 20 years at this time of the year. Last Friday at 4 p. m. there was a regular cold burst at Butteville and the water stood several inches deep on the ground, something that had not happened in the memory of the older settlers.

Some of the hop men think there will be no ice this year. There will be lots of cherries around Butteville but not much fruit of any other kind. The hay crop will be big if the weather clears up long enough so we can "hay it."

Quant Sayings.

It is interesting and instructive to read bright and well constructed advertisements. Messrs. C. I. Hood & Co., of Sarsaparilla fame, must have been at a great disadvantage in looking for a thing like this. They are using a bright selection of quaint old sayings and proverbs as the starters in a series of clever advertisements, wherein the proverb are neatly turned and paraphrased to fit the subject matter. The public like this breezy advertising, as it reminds of other proverbs and opens up discussion.
