LIGHTING PROPOSITIONS

Submitted to the City by Two Corporations Having Franchises,

The Arc Lights as the City Has Them Now Cannot Be Had Much Cheaper.

Two lighting companies have sub nitted to the Salem city council propositions for lighting the streets of Salem and the said bids were opened and read at the meeting of the city conneil on Tuesday evening. They are as follows:

SALEM LIGHT & TRACTION CO. The following bids, two in number, ere submitted by the above named

To Mr. George Griswold, Mr. S. A. Riggs, Mr. Fred Legg, special committee of the common council of the city of Salem, Oregon, and to the honor-able The Mayor and the Common Council of said city—Gentlemen: The Salem Light & Traction Company

does hereby submit for your consideration the different proposals for the lighting of the streets of the city of Salem, as set forth in the attached schedule denominated schedule 'A.' which said schedule is hereby made a part of this proposal. In making the proposal for the use of 1200 candle-power lamps the company reserves the right, should the contract be awarded to it, on that basis, to fill and earry out said contract with Storie's Drug Stores used, until such time as it shall be convenient for the company to change the venient for the company to change the lamps: if 1200 candle-power lamps were to be used, a new, and as a matter of No. 286 and 333 Commercial street, and are fact, the latest, lamp would be purchased for this purpose, and it has been found extremely difficult to obtain these lamps in any quantities, within a reasonable time, hence the foregoing reservation. We enclose you certified check in sum of \$1000. There has never been built any 1500 candle-power arc lamps and as the machinery would have to be made special for these, the price would be such that the cost to the city would be higher than for 2000 candle-power, therefore we do not bid on 1500 candle-power arc lamps."

Schedule A, mentioned in the foregoing, is in substance as follows:
