

ARMY LIFE

of C. B. Warner,
of Bristol, Vt., left its mark on him in what
physicians called a "hopeless case" of heart
disease. He tells how his life was spared.

"In '96 two physicians pronounced my
case hopeless, and said I had heart dis-
ease in its worst form; that it was use-
less to doctor, nothing would cure me.
In March, '97, I took Dr. Miles' Heart
Cure and have not had a symptom of
the disease since. It saved my life."

SHIPPING NEWS

Doing at the Various Docks of the Different Steamboat Lines.

The weather bulletin this morning is very encouraging to farmers who have hay to cut. It says: Tonight fair. Wednesday fair and warmer. This brings a ray of hope for those interested in hops as well. Everybody will be pleased with one week of warm, sunshiny weather.

The rain was of inestimable benefit to all. It laid the dust and will give us a few days of fine wheeling and benefit all vegetation and add thousands of dollars to the filling wheat crop of the valley.

The boating stage is good and the river has risen one foot during the last 24 hours and now stands at 6.1 feet above the low water mark and is rising at the rate of .8 of a foot for 24 hours.

Owing to her industrial jealousy, England has repeatedly been doing her best to stir up a war between France and Germany.

It is for this same reason that England has been trying systematically to make trouble between Germany and the United States, and she came near succeeding in this. We have believed all the infamous lies which the agents of England last summer sent from Manila harbor. We have allowed ourselves to be used in Samoa as the violators of rights and treaties, and we are on the road to being considered by the civilized world the rowdy among the nations. Eager to show the world fraternization of the Anglo-Saxon race, an American officer (I am deeply ashamed to say of German descent) has joined the British in the brutal slaughter of a savage people, although the commercial interests in Samoa of England and America combined are not half as large as those of Germany.

Being the offspring of a higher and more human civilization than the English, we protest against the brutal and inhuman warfare carried on in the Philippines and Samoa. We do not believe in the Mohammedan idea of spreading religion and civilization with the Bible in one hand and the rifle in the other.
