The growth was cut out twice and burned out once by Albany Physicians, but the growth came back as bad as ever, and pained her so badly that she had to be taken from school. After three week's treatment by Dr. J. F. Cook, of Salem, Oregon, the Botanical Specialist, the growth entirely disappeared, and at this date, four month since treatment was begun, the growth has not reappeared, and the ear has en-tirely healed leaving only the scars in-

flicted by the Albany doctors. I hereby certify that the above state ment is absolutely true, and that Ber-tha P Conner, the person mentioned in the affidavit, has resided in my famly since early childhood, bearing the relationship to me of niece.

Subscribed and sworn to before me this eighth day of June, 1899, W. W. Hall, county clerk of Marion county,
