FLOOD STRICKEN

Texas Appeals for Aid.

The War Department Has Responded.

Loss of Life Greater Than Expected—The Situation Worse.

By Associated Press to the Journal.

WASHINGTON, July 6.—The war department has the request of the Governor of Texas for aid for the floods sufferers. The boats and rations are asked for will and be issued at once.

St. Louis, July 6.—A special to the Post Dispatch from Dallas Tex says:

A dispatch from Dewey, just across the Brazos river from Sealey, says:

Conditions here are terrible. Everything in the country swept away. A large number of lives were lost in the bottoms. It looks like starvation for those who are left. The situation cannot be exaggerated.

Deputy Sheriff Swaronger at Sealey said "there is no improvement in this section of the flooded district. If anything the situation is growing worse. Several lives have been lost since last night among refugees on a mound near Old San Felipe.

A number of negroes fell into the water from the tree tops from exhaustion after hanging three days and nights.

"A rumor is current here of an awful disaster near Richmond, below here in Fort Bend county."

St. Paul, July 6.—Reports indicate that last night's storm at Grand Forks, N. D. was more than local. Much damage was done all through the valley.

F. A. Mushlitz and family of Pennsylvania, arrived in this city several days ago and this morning drove out to Aumsville, looking up a location. Mr. Mushlitz is favorably impressed with Oregon and has cast his lot here among us.

Miss Mildred Linville of Corvallis who has been the guest of Mrs. Will Babcock and other Salem friends, left for home today.

EDITORIAL RECEPTION.

Preparations That Are Making at Salem—A Flower Brigade Professed.

The next event to be pulled off at Salem is the reception to the Editorial association Tuesday.

There is to be a meeting of the reception committee Friday evening at 8 o'clock to assign some special work in connection with the editors. All the committee are urged to be present.

This evening at 7:30 there is a meeting of Hawkeyes at E. F. Parkhurst's office to see what can be done to help make the reception a greater success and secure as much advertising for Oregon as possible.

A FLOWER BRIGADE

To make bouquets is wanted by THE JOURNAL when the editors and their ladies leave Salem on the evening of the 11th. We would like to have each one to carry away fragrant memories of our city and we urge the ladies who read THE JOURNAL to help us in this matter. On Tuesday cut all the roses and other showy flowers with long stems and make them up into good hand bouquets. Tie the bouquet with a string, wrap the stems with some wet paper and then put some dry paper over that. Tie them neatly and attach your card and address. Leave them at THE JOURNAL office and we will see that they are delivered to our guests on their departure. Ladies or gentlemen or children who have flowers, please bear this in mind and make up a bouquet or two, five or ten for that matter, and bring them to

this office. We want a wagon load. We know that our Eastern friends cannot have too many flowers. The flowers at this season are so rich in color and perfume that we know our guests will be pleased. Now let all take hold of this and contribute their mite to make it a success.

Bridge Needs Repairs.

Reports come to this office of the bad condition of the foot bridge across the Willamette between Salem and Polk county. It seems the wagon bridge portion is in good condition from having been replanked last year, but now the planking in the foot bridge is giving out in spots and should be repaired.

Change of Proprietors.

George Brothers who conducted the White Restaurant in this city for several years but sold out some time last fall, have again bought out Mr. Barnett taking possession today.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cusney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. The Edgar-Golden Suit.

This litigation which has been going on for twelve years, having been to the supreme court twice, was given a new twist before Judge Boise Wednesday evening. W. H. Bilyen and Tilmon Ford appeared for D. W. Edgar, and Weatherford, Wyatt and Watson, by the latter, for G. W. Edgar who is the plaintiff against his brother and Dr. Golden of Salem. The case was tried on demurrer to the complaint and Bilyen and Ford were successful, as they seem to have been very lucky on all occasions connected with this suit. It is not known whether there will be any further litigation or not.

Mr. Wade's Condition.
At last accounts W. L. Wade, the North Salem merchant who accidentally shot himself on the evening of the Fourth, was resting easily so far as his wound is concerned. As the bullet does not seem to be causing any trouble, no attempt has yet been made to locate it.

A Good Thing Well Done.
New and pleasing ideas in advertising always interest. Nothing has appeared for years which is so attractive as the Hood's Sarsaparilla advertisements, utilizing proverbs and wise sayings as headings, each followed by a little homely story connecting the proverbs with the subject. Besides this, the quaint Jensen italic type for the preliminary sentences, finishing with a script slogan, "Hood's Sarsaparilla Never Disappoints," adds to the effectiveness. All this work is running in over 7000 papers.
