A HOT BLAZE EXTINGUISHED Fire Does Damage to a State

A hot fire occurred last evening in the rear of the brick building on State street opposite the Patton block, occupied by Jacob Vogt's shoe store and Morgan & Fusee's barber shop. A small room at the rear, filled with paper, rubbish, boxes, etc., was the scene of the blaze. The fire no doubt started from a burnt match or a cigar stub, the result of carelessness on the part of some one entering the public run-way at the west side, as a door from the back room opened from the same.
