JOURNAL "X RAYS."

The *Fossil Journal* is edited by a level-headed Scotchman, who says this: "San Jones, the so-called great Evangelist, lectured at Oregon City and Ashland last week, and if the daily papers reported him correctly, he is a wishy-washy preacher at best. His 'lectures' consisted of silly platitudes and old chestnutty yarns in which Jones generally figured as the hero; and some of his assertions showed him to be on the ragged edge of lunacy. For instance, what other condition of mind than lunacy could inspire the statement made at Oregon City by San that beauty was dangerous to a woman, and that if he had an exquisitely beautiful daughter he would pray God that she might have the smallest, rotten indolent must be the mind and empty the pate of the unicorn who cannot conceive of a beautiful woman as being good and pure and true, and if in pity indeed that the Chautauqua societies of Oregon, supposed to be promoters of moral as well as intellectual culture, should have been the instrument of bringing this creature, devoid of both, so prominently before the people of this state."

Albany Democrat:—Next year there will be only one state officer to elect, a supreme judge to succeed Chief Justice Wolverton, who will no doubt be nominated without opposition to succeed himself. For congressman though Mr. Tongue will have plenty of opposition, among those named by a Salem paper being Senator Brownell, Senator Malley, H. B. Miller and T. J. Dancy. Tongue has the pull, and will probably be re-nominated.

Nathan Pierce, one of the leading men of Umatilla county, died recently in San Francisco, where he had been for his health. He was the People's party candidate for governor in 1894. His last public appearance was in 1896 when he presided over the big Bryan meeting at Pendleton. He leaves a wife and six children.

There are ever-ready ministers who work for a living. A Tillamook pastor boasts that a Methodist minister in that county recently pitched twenty-two loads of hay and attended prayer meeting in the evening, and wants to know if in any other Methodist preacher can equal that.

Saturday's *Journal* had 89 news items of personal movements of people coming to or going from this city, besides all the local news of interest.

There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

I was afflicted with a terrible blood disease, which was in spots, and afterwards spread all over my body. These spots broke out into sores, and it is easy to imagine the suffering I endured. Before I began to use S. S. S. I had spent a hundred dollars, which was really thrown away. I then tried another medicine, but they did not cure me. When I had finished my first bottle of S. S. S. I was greatly improved, and was delighted with the result. The large spots on my face began to grow paler and smaller and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin clear as a piece of glass.

Don't destroy all possible chance of a cure by taking the doctor's treatment of mercury and potash. These minerals cause the hair to fall out, and will wreck the entire system.

S. S. S. For the Blood IS PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no potash, mercury, or other mineral. Books on the disease and its treatment mailed free by Swift Specific Company, Atlanta, Georgia.

AT THE SEASIDE

Movement of Summer Resorters on Yaquina Bay.

Large Salem contingent camped and Cotted at Nye Brook.

Newport is a little slow this year, suffering from locomotor ataxia, as it were. The hotels are not filled and things in the town proper are not up to the top notch of summer resort prosperity. Some even think the hay itself is not what it used to be.

The new era of Saturday night through excursion trains is a great convenience to those who patronize it, but it doesn't bring as large crowds as the old time popular day excursion which came and returned the same day.

The number of campers and people living in cottages and cabins is largely on the increase. Among the former there are forty-four from the Rosefield road hill front regions, including the families of J. Pennington, J. L. Wagoner, A. Bates, L. M. Crozer, S. Newby, A. Newby, Wm. Edmondson and August Cole. This party, with Grocer Branson and family left for home overland on Monday, after enjoying a royal good time. The short prairie crop gave these people an opportunity to get away, but they expect more prunes and less claims next year.

Nye Brook, formerly known as Nye Creek, feeling the effects of expansion, Mrs. Sam Adolph says here are here for the season. The families of Will T. and Geo. B. Gray, J. M. Kyle and H. P. McNary are representing the Gray family, and all are enjoying it hugely. They are all old-time summer resorters and campers and know how to have a good time. Prof. Parvin and family, accompanied by Mrs. J. N. Brown are in the Sutton cottage. State Sup. Ackerman's family is here and the Professor spent Sunday at Nye Brook. Mrs. S. J. Danson and the children are at the cottage, which is the fashionable boarding headquarters of Nye Brook—Nye Brook we mean, of course, Mr. and Mrs. McGill are making their home there, and returned Monday with Mrs. Danson, Tom Livesly and Mr. Morrison the hop factories, are here with their families. Mrs. P. C. Levar and child, are camped with the family of Conductor Webster, of the West Side, who are relatives. Martha Dove is camped with Malon Smith's family from northeast of Salem.

Tom Sims and family of Salem are here for the season. Ben Looney and family are here, and have a camped here and having a jolly time. Ben is one of the strong bathers, and enjoys the salt brine.

All these are at or near Nye Brook, where there are several hundred campers and cottages. The big salmon here, here are here permanently. John Ferguson and family. Their old home is on the high outlook in Polk county, the first farm house on the Wallace road after crossing the big salmon here. Uncle John says he won't sell that place, as he expects to make it his permanent home. He has built a slightly better on the hill here about the summer school tabernacle, overlooking the Pacific, where the little family enjoy life only as people can who have no debts, a clear conscience and large hearts. Mr. Ferguson pays taxes in a dozen school districts, and what he has in the pocket is for the industry and good business judgment. Their few years at the seaside will prove a good family investment.

A. B. Boren, Salem's solid business address, who made the first break for the city's return to prosperity, is here with his family, and they share a cottage on the hill with Mrs. Geo. Brown, Miss Oskie Matthews and Miss Lizzie Holmstrom. Mrs. Steiner and daughter, Mrs. R. D. Gilbert, Ex-Senator Steiner, of Eastern Oregon, are at a hotel. Dr. H. C. Epley, the dentist, is taking an outing fixing up the teeth of the community. Editor C. B. Irvine is over here, still wearing Manager R. Koehler's shoes. As the manager is larger than those the porter exchanged for them, it is presumed that the S. P. railroad burglar is going barefooted.

Your Stomach Works

hard every day. Is it strange that it stops occasionally? Don't shock it with some gripping purgative, but use Hostetter's Stomach Bitters, a remedy everybody knows. A dose of the Bitters taken regularly will keep the stomach sweet, the bowels regular, and prevent, as well as cure, all disorders of a weak stomach. See that a PRIVATE REVENUE STAMP covers the neck of the bottle.

Burlington Route You Can Get a Lower Berth.

With one exception the through trains of the Burlington Route are almost invariably well-filled. The exception is our St. Paul-Chicago Limited. On the limited there is usually room and to spare.

Don't infer that it is neither so fine, nor so fast, as ANY train of ANY other line between St. Paul and Chicago. On the contrary, there is no more beautiful train in America. It has electric light, steam heat, wide vestibules, the most satisfactory dining-car service on the continent—and lower berth for everybody.

A LIFE SAVED. Dr. J. F. Cook, the Botanical Specialist, Succeeds Where Other Fail. To whom it may concern: This is to certify that Bertha P. Conner, of Mt. Angel precinct, Marion county, Oregon, has suffered from cancerous growth in the left ear for about three years. The growth was cut out twice and burned out once by Albany Physicians, but the growth came back as bad as ever, and pained her so badly that she had to be taken from school. After three weeks' treatment by Dr. J. F. Cook, of Salem, Oregon, the Botanical Specialist, the growth entirely disappeared, and at this date, four months since treatment was begun, the growth has not reappeared, and the ear has entirely healed leaving only the scars inflicted by the Albany doctors. I hereby certify that the above statement is absolutely true, and that Bertha P. Conner, the person mentioned in the affidavit, has resided in my family since early childhood, bearing the relationship to me of niece. H. C. LONG. Subscribed and sworn to before me this eighth day of June, 1899. W. V. Hall, county clerk of Marion county, Oregon.
