CZAR GLOOMY

Decides to Abdicate Throne.

Story of the Reason for Del Casse's Visit

From Sources Too Important to Disregard.

By Associated Press to the Journal. LONDON, Aug. 5.—M. de Blowitz the Paris correspondent of the times, gives an extraordinary explanation of M. Del Casse's present mission. He asserts that it was decided upon quite suddenly for a "reason which admitted of no delay," and then gives the story which he says he has from a "source to which I am bound to attach importance." This is the explanation: "Emperor Nicholas is disappointed and tired of the throne. The absence of an heir excites his superstitious feeling, and he connects himself with a Russian legend, according to which an heirless czar is to be succeeded by Czar Michael, predestined to occupy Constantinople. The death of the czarowitch and the failure of the conference at the Hague led him to decide to abdicate, and on the occasion of his coming visit to Darmstadt. On this becoming known in Paris M. Del Casse was sent in hot haste to dissuade him from carrying out this intention."

Account of Transval. By Associated Press to the Journal. LONDON, Aug. 5.—The Berlin correspondent of the Daily Mail says: "I learn that the real reason why Emperor William did not go to Cowes was the acute state of the Transval question. The queen delivered yesterday to the queen, at Osborn house, by Lieutenant Freiherr von Stronbeck, explains this: repeats the emperor's regrets, and contains a promise to visit her majesty during the autumn. There is some talk of a previous meeting between the Prince of Wales and Emperor William at Empress Frederick's castle, near Hamburg."

Dewey in Naples. By Associated Press to the Journal. NAPLES, Aug. 5.—The United States cruiser Olympia, with Admiral Dewey on board, arrived here this morning. As the cruiser entered, the port salutes were exchanged. Captured U. S. Steamer. By Associated Press to the Journal. Whalley, of Portland, was at Salem today and engaged Holmes & Kellogg to take an appeal in the suit of W. S. Beebe vs. E. A. Pearce, administrator of J. L. Parrish deceased, for \$4,000 attorney fee. Judge Terrell sustained a demurrer to the petition, and now plaintiff will stand on a demurrer in the circuit court. Sheriff Durbin Buys a Farm. Frank Durbin has just bought a choice piece of farming land, 80 acres just east of the Robt. Witzell place, near Salem. He purchased of Eva Cox and Mrs. Ogle as an investment. He considers good farming land the best investment in Oregon at present. S. B. Caterlin, real estate agent, made the sale. In Salem Two Hours. The Oregon volunteers will remain in Salem about two hours enroute to Portland. Col. T. C. Smith, received the following message from Lieutenant Colonel George O. Yoran: "The schedule has been arranged for the train to stop at Salem from 11 a. m. to 1 p. m., August 10. The statehouse grounds are preferable."

Divide the Spoils. WALLACE, Ida., Aug. 5.—Presidents Mellon, of the Northern Pacific, and Mohler, of the O. R. & N. Co., accompanied minor officials, arrived this morning from Moscow. The supposition is that the object of the visit is to arrange to divide the traffic from Sunset Peak so that only one company will build in there. Death of Fred Finch. Fred Finch died Friday at the Salem Medical baths, of consumption. He was 39 years old, and was to have been taken to Fall City Saturday. He left a family.

Justice Court. Justice Johnson and a jury consisting of C. D. Gabrielson, M. Wiprut, John Moir, Capt. Hoff, Chas. Calvert and Harry Prior, spent the afternoon on a trespass case in which there is an imposing array of witnesses and a legal talent on each side. Chas. McNary and W. T. Slater prosecute the case and John A. Carson and F. A. Turner conduct the defense. Mrs. Wells and Powell are defendants, the complaining witness is H. Squires. At Noon Saturday. The Salem dogtax ordinance is now in effect, having been approved by Mayor C. P. Bishop. It was signed at 12 o'clock. Chief of Police will take immediate steps to enforce the law and will receive the tax. New tags will be ready in a few days, but all who prefer may keep their old number on which they have heretofore paid. Give Them a Scuffle. An insane man, Riley Moore, from Albany, was brought down this afternoon. He was a powerful man and gave his guards a hard scuffle on the train just before reaching Salem. He was shackled hand and foot and carried to the asylum cab. Gold Certificates To Be Issued. GRAND BALL

Given by the Filipinos.

In Honor of a Bold Stroke of Diplomacy.

Talk of France Plotting Against Germany. By Associated Press to the Journal. NEW YORK, Aug. 5.—A dispatch to the World, from Hong Kong, says: Aguinaldo has an advisory council right in Manila. Hong Kong having been made too hot for the Filipinos through the efforts of Consul General Wildman, the rebels have decided to establish headquarters in Manila. They were encouraged to try daring experiment by the fact that under a recent decree of Gen. Otis, the Philippine courts are now conducted by natives. So Crisanto Lichancho, treasurer of the junta went boldly to Manila and professed friendship for Otis. The scheme has worked so well that the delighted junta has celebrated its victory with a grand ball.

DEWEY SLOWLY

Coming Home -- One Man Who Needn't Hurry.

By Associated Press to the Journal. NAPLES, Aug. 5.—Admiral Dewey who arrived today on the Flagship Olympia was visited by United States Consul General Castro and members of the American embassy. The Olympia will probably remain in this port for a month. The admiral commanding this station, the commander of the garrison and the prefect of the city visited Dewey today and the American admiral returned their visits. Dewey and the crew of the Olympia are all in good health. It is now said the cruiser will only remain here eight or ten days. Second Oregon Nearly Ready to Start Home. Presidio Correspondence of Portland Telegram. Captains Prescott, Crowne and Barzee left on Wednesday for Vancouver to report for duty with their new regiment. They have been specially mustered out for that purpose. Lieutenant George F. Teifer, of company L, has been appointed adjutant to succeed Adjutant Crowne, to serve until the muster-out. All muster-out rolls have been turned in and verified, and they are now in the hands of the paymasters to be figured up. All company and regimental records will be turned in on the 7th, and on the 8th the regiment will leave for home. There will be about 700 men on the special train, some in Pullman and tourist cars. The rate secured by the committee is \$10.25 for tourist and \$12 Pullman. This rate is the same whether the man goes clean through or stops off at some intermediate point. There is a widespread sentiment among the men that the Portland people wanted them to come there simply to apply for them "where they spent their money." Of course the more thoughtful men know that so mean and contemptible sentiment as that could not be general among the patriotic people of Portland, but such utterances have had an estranging effect, and the boys feel that they are not being treated as the soldiers from all other states are being welcomed. It is to be hoped that their greeting as they pass through the state will be so cordial and enthusiastic that by the time they reach Portland all trace of this sentiment will have vanished, and they will respond to the hearty and generous welcome that will be extended to them when they arrive. They will be glad to get home, and will be especially pleased to know that the sordid sentiments of these letters are not those of the people of Portland.

Mr. and Mrs. H. N. Cockerline have returned from the annual meeting of the Northwestern Mutual Life Ins. Co., at Milwaukee. He says they had one continual run of luck, missing cyclones, tornados and sunstrokes, and of course largely attribute it to the company he represents.
