A PROGRESSIVE SALEMITE.

Goes East to Investigate Horseless Carriages.

On Thursday, August 10, A. T. Gilbert, and his daughter Claudia, will leave Salem, via the Union Pacific on a visit to the East.

The questions to be looked into are: whether the horseless carriage has yet been perfected sufficiently to adopt it to use on such roads as we have in the Pacific Northwest; what kind of motor, gasoline, electric or other, would be best in this section; whether there are likely to be great changes or improvements in construction made in the immediate future; if so, what kind of a car, \$750 to \$2500, is likely to be greatly reduced within a short time.

At present the gasoline motor seems to be the favorite for propulsion of the automobile, and no formidable rival thereof is in sight. It seems probable, however, that the cost may be materially reduced.

The example set in the bicycle trade is likely to follow in the other. Mr. Gilbert will look into all these points and if the present outlook seems favorable, he will take steps to cover this territory thoroughly in the interest of the new vehicle, probably establishing headquarters at Portland.

Minto. The county court has appointed D. C. Minto as constable of the Salem district, in place of Capt. L. P. Adams, who has resigned on account of ill health.

F. M. Howe and G. S. Freeburger and their families leave today and will drive to Nye Creek for two weeks outing.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally, and it acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 5c.
