THREE DAYS.

Continued from first page.

The riders were: Pennington, of the Pullman Palace Car Company; Lounsbury, of the Southern Pacific; Roche and Duffy, of the Rio Grande Western; and Blanchard, of the O. R. & N.

The names of their mounts are unknown to fame. Pennington came in first and Duffy and Roche and the rest arrived later, in the order named. Time, 47.

During the afternoon, young Shaw gave a beautiful exhibition of trick bicycle riding.

The baseball game, as already announced, resulted 18 to 11 in favor of Woodburn, against Chemawa.

SUNDAY'S FAIR.

In the afternoon the Portland bicycle quintet rode an exhibition five miles in 12:05, making the record for the Pacific Northwest; also riding a single mile in 2:08.

Chas. F. Whiting, of the Shields Company, gave two excellent vocal selections.

The Shirley band gave drill, and there was a cake walk by 11 colored people.

Albert Shaw also gave an exhibition of trick bicycle riding.

There was a large number of visitors on the grounds Sunday, and the evening program was well attended. The concert in the pavilion is more or less of a dress parade, when there is room to move around, and it is safe to say that at least one of the outfits exhibited last night attracted universal attention.

The Shield's entertainment was up to the standard set last year, which is equivalent to saying that it is first-class and highly pleasing to the assembled crowd.

Miss Lamar recited by request, the beautiful story of "Jane Conquest," which was heard last year. Mr. Whiting sang, "Just as the Sun Went Down," to which the illustrations add a strong touch of vividness, and by request, "Whisper Your Mother's Name." Mr. Shields displayed the series of allegorical pictures, "Rock of Ages."

Today's races.

The entries for this afternoon's races are as follows:

Race 5, 3-year-olds, best 2 in 3, purse \$200—Barton's George D., br s, Brown's Pathmark, b s, Whitmore & Adams' Lady Berry, b f.

Race 6, training, 3-year-olds, best 2 in 3, purse \$200—Moser's Egypt, bl s, Kirkland's Susie Alene, ch m, Wisdom's Major Budd, ch g, Belknap's Alamo, b m.

Race 7, half-mile dash, running, purse \$150.

Running, half-mile dash, purse \$150—McCallister's Marium A., Jones' Misty Morn, Reed's Doctor Hart, Parker's Lady Heloise, James Boyd's Tennessee Maid.

PERSONAL AND LOCAL.

T. T. Riggs of Dallas is in town during the fair.

C. G. Cady, of Dallas, was in to the fair today.

N. Cook, of Marion, was a Salem visitor today.

Marcus Goodman of Albany was a Salem visitor today.

J. Enmak, of Turner, was in to attend the state fair today.

Mr. and Mrs. C. B. Moore, of Oregon City, are taking in the fair.

C. C. Moore, of Prospect Hill, is visiting friends in Salem today.

W. H. Sherman, of Stayton, was a Salem business visitor today.

Mrs. S. Jones, who has been in Dallas visiting, returned to Salem today.

Mrs. John Stump came over on the Dallas stage today to attend the fair.

Car Inspector A. E. Sauvain, of Roseburg came up to take in the State Fair.

Mr. and Mrs. Arthur Edwards of Lathrop bottom were attending the fair today.

Harlie Moore, of Portland Sundayed in Salem among his old friends and associates.

Mr. and Mrs. W. Y. Richardson, of Stayton, were in Salem today attending the fair.

All the livery rigs in Salem were in to use Sunday and most of them made several trips.

Hon. J. B. Stump is down from the farm looking after Salem interests and taking in the fair.

Mrs. G. Shriver, of Perrydale, was in Salem today attending the fair and transacting business.

Miss Marguerite Alderson, teacher of music in Pacific college, Newberg, went down this morning to resume her work.

Rev. W. A. Daly went to Jefferson today, where he will conduct the funeral services of the late Mrs. Michael Danahue.

John Stump and Dave McDonald of Dallas spent Sunday in Salem taking in the fair and other good things of the city.

K. E. Hoff accompanied by his daughter Naomi, of St. Anthony, Idaho, is in the city, visiting his brother, A. Hoff.

Charley Doty, who was for several years a motorman on the little car line, but has lately been on the Washington street car line, in Portland, is again on the "little" line during the fair.

Mrs. J. Y. Taylor has excellent display of flowers and plants grown from the Barpee seeds and competing for the special prize of that firm. F. A. Wolfe, of Falls City, has a like exhibit of vegetables. Both are wonderful for one year's product.

The Salem flouring mills have a booth filled with their famous "Salem Flour" flour, which pleases every housekeeper.

The hardware department is well represented by an excellent display from Gray Bros. large stock.

The Gillingham hot houses have a fine display of growing and cut flowers. Among them is a baby primrose growing and blooming in a thimble which is the smallest thing of the kind ever shown.

Mrs. Frankie Cornell, matron of the asylum, is in charge of a display of fancy work done by inmates of that institution, including some very creditable specimens of drawn work, embroidery, crochet, wool and inland work. This industrial feature of the concern, though small, is highly commendable. The asylum farm also has an exhibit of vegetables.

Knox & Murphy have good display of plumber's wares and work.

Several good exhibits of agricultural products are made by the different districts assigned by the fair board, but the displays in this line are not what they should be. The displays are good, but in many respects they don't come up to the individual exhibits in past years.

The floral exhibit is very large and will be referred to later in some detail. The poultry department is probably the best filled and patronized of any, and will be given special recognition later in the week.

The largest display of vehicles is that of Studebaker Brothers, represented by Parkhurst & Co. They have everything from a backboard to a barouch, and have an unlimited variety of buggies, surreys, carriages, traps, hacks, wagons, etc. The Parkhurst firm also has an immense display of agricultural implements.

R. M. Wade & Co., the pioneer implement house, has a good display of up-to-date farm machinery, as well as carriages and wagons. These displays are of great interest to farmers.

As now is the time when many are thinking of buying pianos, organs and sewing machines, I take this motion to remind you that you have with you an old dealer in these lines, who makes it a study to buy his goods so he can meet all advertised prices on the same goods. In the sewing machine line persons that come to my store and see what prices machines can be bought for, buy here. Others, I find, send, but not near so many as used to do, because so many salesman they talk to charge so much more than they can get them by sending for them. I have in stock high arm, self-threading shuttle, all attachments, 4-drawer, oak table, sewing machines for \$15 to \$18.50. You do not take any risk sending, or depositing your cash. You can see a machine and sew on it before you pay for it. Figure your prices advertised and freight and you will see I am from \$1 to \$2.50 cheaper than those prices. One example: My gain on shipping a single piano—I have now on the road a car of pianos, unboxed and packed in a car, at the rate of \$1.50 a hundred; weight of box, \$2 at the rate of \$14.40 making a total difference of \$2 plus \$10 plus \$14.40 or \$26.40 I save on each piano. A very fair profit on each piano and a large saving on a carload.

I could fill this entire paper full of names of parties that have bought either a piano, organ or sewing machine from me. I will give you the names of six only: Prof. W. C. Hawley, Geo. H. Myer, Dr. W. H. Byrd, Father P. Placitus, of Mt. Angel, Sol Durbin and Mrs. C. H. Hines. From these professional men and ladies who are good judges, you have evidence that they found my stock as good and as cheap or cheaper than any other place.

As these people have found it to their advantage to buy from me, will not you also?

In short, I buy and sell my goods as cheap and cheaper than any outside manufacturer or dealer can possibly lay down a single shipment of a piano, organ or sewing machine.

Olinger & Rigdon. Undertaking NEW CAR. Embalming

We wish to announce to the general public that we have purchased the most elegant and magnificent funeral car, of latest design, and are therefore in a position to handle funerals in a much better manner than heretofore, and with less expense. We have long felt that Salem, being the capital city of a great state, should be up to date in the manner of handling funerals, and we have therefore spared no expense in purchasing the car. It was built by the James Cunningham Co., Rochester, New York; who build the finest vehicles in the United States shipped to Oregon. We cordially invite all to inspect our facilities, and when necessary require, give us liberal patronage. OLINGER & RIGDON.
