DEWEY ARRIVES

Two Days Ahead of Time.

Cannons Thunder in His Honor

The Admiral Will Go to Tompkinsville Tomorrow.

New York, Sept. 26.—Much to the surprise of every one in the city, the Olympia with Admiral Dewey on board, arrived off Sandy Hook light ship at 5:55 this morning. The Olympia sailed from Gibraltar September 10.

There was a heavy mist in the sea and at first the marine observers were inclined to think the vessel sighted might be the Chicago, Rear Admiral Howison's flag ship, hardly believing Dewey would arrive two days ahead of time.

Doubt was soon cleared away, however, and as passing vessels recognized the flagship from Manila bay, there was a continuous blowing of whistles in salute.

The flagship Olympia, with Admiral Dewey on board, passed inside Sandy Hook at 7:14 o'clock this morning, and anchored in the lower bay below the "Spit."

As soon as anchor was dropped, an orderly was sent ashore with despatches from the admiral and other officers. He said ship had a pleasant trip across the Atlantic and that all on board were well.

The Olympia's crew were put to work immediately cleaning the ship, and many small vessels are sailing around her and the number is being augmented constantly.

The admiral's early arrival was a matter of great concern to the city authorities who are arranging for New York's official welcome. The secretary of the reception committee went to the city hall early and at once issued a call for a meeting of the committee.

Mayor Van Wyck hurried to his office, where he found the following telegram: "The Olympia arrived this morning. Will go to Tompkinsville tomorrow—this, Dewey."

The mayor authorized the calling together of all of the city's committee and telegrams were sent out calling on members of various committees to meet as quickly as possible at the city hall.

A Royal Welcome.

New York, Sept. 26.—Today for the first time in many years an admiral salute was fired in New York bay. Fort Hancock saluted with 17 guns when the Olympia passed, coming in. On the terrace below the quarantine

station are letters nine feet high spelling "Welcome Home." Rear-Admiral Philip, at Brooklyn Navy Yard, detailed Lieut. Dewey, nephew of the Admiral, to go up on navy yard tug, Traffic, and proceed to Sandy Hook to meet the admiral.

The tug carried besides the mail, Manila medals for the officers and crew and a silver service for the officer, presented by the town of Olympia, Washington, and the Dewey shield for the battleship. Committees will meet Admiral Dewey late today.

NOT CONQUERED.

Yaqui Indians Not Vanquished as Reported.

By Associated Press to the Journal. AUSTIN, Tex., Sept. 26.—Judging from the reports reaching here from Oriz, state of Sonora, Mexico, the Yaqui Indian warfare is rapidly growing worse instead of abating.

Lieutenant Maeran has arrived at Torres on his way to the City of Mexico, to make official reports as to the progress of the campaign. He says there has been no cessation in the war being waged against the Indians but they have scattered into small bands, and are now vigorously waging a guerrilla warfare, and that the Mexican soldiers have adopted similar tactics and are also divided into small scouting parties.

There are frequent engagements, the Indians harassing the Mexicans with attacks from secure positions in the mountain roads, not infrequently causing much loss of life among the soldiers with little harm to themselves.

General Torres, in command of the Mexican troops, asks the Mexican war department to send a force of rurales to aid him, and it is thought they can render very effective service against the Indians. The rurales hold the rurales in great dread, as they are their old-time enemies and a most formidable foe.

During the past 10 days a great many miners have arrived at Oriz, having been driven out of the mountains by the threatening situation, and all bear tales of murder and bloodshed. Dozens of skirmish fights have resulted, in which a number of soldiers and Indians have been killed and several miners have lost their lives. Many of them have deserted, paying mines in order to save their lives.

The entire country tributary to the uprising is in a state of fermentation, and all the Americans are leaving as rapidly as possible. Dividing the soldiers into small squads scatters the war over a long range of mountain territory, and every section of the Yaqui country is terrorized.

ROBBERS ARRESTED.

J. Barclay and Forrest Ferrons are in Custody.

PENDLETON, Ore., Sept. 26.—J. Barclay aged 24, and Forrest Ferrons, aged 21, who were arrested on the overland passenger train at this point, and held pending the arrival of Sheriff Huntington, of Baker City, who telegraphed Sheriff Blakeley here. They are wanted for holding up the stage between Ontario and Burns.

Both disclaim knowledge of any reason for their detention. Barclay had a building pistol and \$50 on his person, and Ferrons about \$15. They had no baggage nor anything to connect them with the stage hold-up.

Sheriff Huntington, when told the men's names, telephoned in reply that they were the men he wanted for the hold-up. These men are supposed to be the ones who planned to rob the Oregon Short Line train at Ontario. No more particulars are known here.

Fine Caught Up.

PENDLETON, Ore., Sept. 26.—Sheriff Huntington, of Baker, while in Huntington, compelled the mother of one of the boys arrested here for stage robbery, to disgorge six hundred and eighty dollars of the thousand dollars the boys took from the mails on the stage.

Forest Ferrons is a Salem boy and will be remembered as being in the Salem hospital a few years ago for treatment, his father having died here in Salem last spring and was buried at Mackay.

Enemy's Losses Estimated at Forty—Prisoners Freed

By Associated Press to the Journal. WASHINGTON, Sept. 27.—A Dispatch from Manila to the war department states that general Snyder attacked the position of the insurgents five miles west of Cebu and destroyed seven forts and quite a number of smooth bore cannon.

The insurgents were utterly routed and Snyder returned with his force to Cebu. The Tennessee regiment was already aboard the transport to come home, but disembarked to take part in the engagement. Our loss was one killed, four wounded. Enemy's loss is estimated at forty.

PRISONERS RELEASED.

Encouraging News From Yorktown's Boat Crew.

By Associated Press to the Journal. NEW YORK, Sept. 26.—A dispatch to the Herald from Manila, says:

Two Englishmen, who assert that they were shipwrecked in a small open boat near Bigana, at the northern end of Luzon, bring in a message from the insurgent general, Pantala, that fourteen American prisoners, who are now held at Tarlac, will be released on Tuesday or Wednesday.

The Englishman state further that Lieutenant J. C. Gilmore and the captured boat crew from the Yorktown are still at Bigana, but will be released later in accordance with the decision of the Filipino congress and the subsequent decree of Aguinaldo providing for the surrender of all American prisoners.

The admitted purpose of the Filipino in this freeing Americans is to impress foreign powers. The Englishmen say that Lieut. Gilmore and his men are not being treated well.

The released Englishmen assert that three Americans who were taken prisoners have accepted commissions in the insurgent army. Five officers of the Japanese army are assisting the insurgents. The Filipino authorities sent word that no trace can be found of Captain Rockefeller of the Nineteenth infantry.

Cadet Wood Killed.

WASHINGTON, Sept. 26.—The navy department today received from Admiral Watson, a cablegram announcing the capture and destruction of the gunboat Urdaneta. The admiral learns through insurgent sources that her commander, Naval Cadet Wolburn C. Wood, was killed in action. The fate of the crew is not known.

Wellington Resigned.

BALTIMORE, Md., Sept. 26.—United States Senator Wellington has resigned the chairmanship of the Republican state central committee, in accordance with request of Governor Lowndes, who is a candidate for re-election on the Republican ticket. Thomas J. Shryock was elected to succeed him. Shryock is state treasurer. In tendering his resignation Senator Wellington delivered a speech, in which he accused the governor of double dealing and treachery, and alleged that, in conjunction with Senator McComas, Congressman Muel and others, the chief executive had gone into a combination to destroy the speaker's future political prospects.

TRAIN WRECK.

Head-End Collision Between Passenger and Freight Train.

By Associated Press to the Journal. ALBANY, Sept. 26.—A head-end collision between the New York Central passenger train and a freight train occurred this morning about half a mile west of this city, and as a result three people are dead, two are fatally hurt and four seriously injured.

The dead are: Emmet Lanctota, of Rochester, engineer of freight train; J. G. Curry, Rochester, fireman of freight train; James E. King, of Skaneateles. Fatally injured: R. J. Frew, of Geneva conductor passenger; Thomas Dugan, freight passenger.

The freight train was several hours late, was making fast time, and when the two trains came in sight of each other the speed was so great that a stop could not be made.

ELECTIONS.

Highhanded Work of the Voters at Havana.

By Associated Press to the Journal. HAVANA, Sept. 26.—The election of delegates to the municipal convention has taken place, the voting tables being well attended. In some instances there was an utter lack of order, the crowd taking charge of the tables, and those coming actually snatching the cards from others who were about to vote against the candidates of the former. Juan-Gualberto Gomez asserts that all kinds of political opinions are represented in the men chosen. Some favor Maximino Gomez, others support the members of the former military assembly, although there is still a desire to raise the race question.

Sigsbee's Daughter Dead.

By Associated Press to the Journal. NEW YORK, Sept. 26.—Captain Chas. D. Sigsbee left his vessel, the battleship Texas, which is at anchor with the rest of the fleet in the bay, and started for Rehoboth Beach, Del., having received a telegram from that place announcing that his daughter, Ethel had died suddenly of heart disease.

NOTICE SERVED

On the Transvaal by England.

Former Negotiations are Declared Off.

The Latest Despatches From Johannesburg Today.

By Associated Press to the Journal. LONDON, Sept. 26.—The official of the foreign office last evening gave out the text of the letter of the secretary of state for the colonies, Joseph Chamberlain, to the British high commissioner in South Africa, Sir Alfred Milner, dated September 22. The British reply expresses regret that her majesty's offer No. 5, of September 8, has been refused, and says:

"The object her majesty's government has in view in the recent negotiations has been stated in a manner which can not admit of misapprehension, viz: To obtain such immediate representation from Uitlanders as will enable them to secure for themselves that fair and just treatment which was formally promised them in 1881, and which her majesty intended to secure for them when she granted privileges of self-government to the Transvaal. No conditions less comprehensive than those contained in the telegram of September 8 can be relied on to effect that object."

"The refusal of the South African government to entertain the offer thus made, coming, as it does, after four months of protracted negotiations, closes five years of extended agitation, and makes it useless further to pursue discussion on the lines hitherto followed, and the imperial government is now compelled to consider the situation afresh and to formulate its own proposals for a final settlement of the issues which have been created in South Africa by the policy constantly followed for many years by the government of the republic of South Africa. It will communicate the result of its deliberations in a later despatch."

England Striving for Peace. LONDON, Sept. 26.—The general feeling including that of pro-Boers, as in-

dictated by the articles in the afternoon papers today, is that the published dispatch of secretary of state for the colonies Chamberlain to the British high commissioner in South Africa, Sir Alfred Milner, clears the way for peace if the Boers desire it. In any event it is pointed out that it affords further delay which, in the case of Great Britain, is certainly advantageous as it gives time for reinforcement of the garrisons at the Cape.

Veitheim Arrested. JOHANNESBURG, Sept. 26.—Von Veitheim, the former trooper in the Cape police, who shot and killed Wolfe Joel, nephew, partner and executor of the late Barney Barnato, in Johannesburg, in March last year, after failing in an attempt to blackmail, has been arrested while crossing the frontier. It is said that he was returning with the object of giving the government information.

Refugees. CAPE TOWN, Sept. 26.—A great number of Johannesburg refugees are arriving here daily. The relief committee is paying every attention to those who are in need of assistance.

Joubert restraining the Boers. LONDON, Sept. 26.—A Times special from Johannesburg: Reports are heard on all sides of the eagerness of the Boers to start hostilities, the postponement is said to be wholly due to the restraining influence of Gen. Joubert. It is believed this influence cannot be exercised much longer.
