COMRADE

"I have used Dr. Miles' Restorative Nervine for nervousness brought on by the use of tobacco and too close application to business. It gave me prompt relief without leaving any unpleasant effects. The result was beneficial and lasting. I heartily endorse it."

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed. Deafness is the result, and unless the inflamation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

A LIFE SAVED.

Dr. J. F. Cook, the Botanical Specialist, Succeeds, Where Other Fail.

To whom it may concern:

This is to certify that Bertha P. Conner, of Mt. Angel precinct, Marion county, Oregon, has suffered from a cancerous growth in the left ear for about three years. The growth was cut out twice and burned out once by Albany Physicians, but the growth came back as bad as ever, and pained her so badly that she had to be taken from school. After three week's treatment by Dr. J. F. Cook, of Salem, Oregon, the Botanical Specialist, the growth entirely disappeared, and at this date, four months since treatment was begun, the growth has not reappeared, and the ear has entirely healed leaving only the scars indicted by the Albany doctors.

I hereby certify that the above statement is absolutely true, and that Bertha P Conner, the person mentioned in the affidavit, has resided in my family since early childhood, bearing the relationship to me of niece.
