THE WILLARD CASE,

Concluded from Fourth Page.

The crowd in attendance was not so rge as on the day before, until late in District Attorney Hayden and the exsectation was that his speech would be the great event of the trial.

There was considerable delay, wait ing for witnesses who had been sent for at a late hour and it was nearly 2 o'clock when Justice Johnson called his court

Fourteen witnesses were examined, nine for the prosecution, and five for the defense.

The district attorney had asked for Where you find a book-reading family time to get witnesses to establish Perry,s good reputation. Some testimony have other things to talk about than was also introduced by the prosecution their neighbors. Reading is a safeguard to show that the pistol shots were not against gossip. People who can talk of all fired in rapid cession, that there was It was also shown that the box to which secording to Steven's testimony Willard had gone to look for eggs had nothing in

The new testimony of the defense was mainly on the respective reputations of with the trust question by way of an Perry and Willard, and O. G. Savage's amendment to the Constitution, the testimony tended to show that Perry trust will watch with considerable had gone out to the place with the inamusements the efforts of these gentle- tention of holding possession, by viol-
