WEDDING AT JEFFERSON.

**Two Prominent Families United the Ties
of Marriage.**
(Jefferson Review, Oct. 28.)
LOONEY-RUSSELL.—At the resi-
dence of the bride's parents, in this
city, Thursday evening, Oct. 26, 1899,
by Rev. L. Anderson, W. W. Looney
and Nellie L. Russell.
The contracting parties are among the
most popular of our young people, and
their entire lives have been passed in
this community. The groom is a son of
Hon. J. B. Looney and the bride is a
daughter of W. B. Russell and wife.
Miss Laura Thomas acted as bridesmaid.
The ceremony was witnessed by rela-
tives and intimate friends of the bridal
couple and was followed by a fine sup-
per. Mr. and Mrs. Looney will reside
on the farm north of this city, and it is
the hope of all that never a cloud may
mar the matrimonial sky.

MY FRIEND FROM INDIA

By the Company That Filled the Mar-
quam—A Good Comedy by a
Large Company.
Patton Bros. deserve a good house
this evening.
"The Order of the Yellow Robe" per-
haps needs a little explanation to the
uninitiated, as it is the principal theme
of the comedy, "My Friend From
India," which will be given at the Reed
tonight by Walter Perkins and Smythe
& Rice's company of comedians. "The
Order of the Yellow Robe" is an ad-
vanced branch of theosophy, and has its
home in India. The members are dis-
tinguished by their peculiar dress, con-
sisting of a yellow robe and a white tur-
ban around the head, carrying a towel
on one arm and a yellow bowl in the
hand. The latter is for the reception of
food, as the members of this order per-
form no labor and are dependent for
sustenance on the generosity of the na-
tives. The Order is composed of those
who have attained a knowledge of theosophy
beyond the ken of ordinary mor-
tals, and it is upon this novel idea that
the author, H. A. Du Souchet, has
built many of the brightest of the many
bright situations in "My Friend From
India."

Will Change Their Home.

C. T. Doty, and family leave tonight
for Illinois, their old home. Mr. Doty
has been in business in Salem for about
ten years, and returns now to take
charge of his aged father's large farming
business. He leaves scores of warm
friends in Oregon, all of whom wish Mr.
Doty and family prosperity and happi-
ness such as they certainly deserve.

in the first degree.
Attorneys for defence asked for per-
mission to furnish bail, but the same
was declined by the court for want of
jurisdiction. Question of making rec-
ord taken under advisement.
The preliminary examination of J.
R. Willard for the killing of T. D.
Perry was not closed until 6 p. m. Sat-
urday evening before Justice Johnson.
The arguments were made and Justice
Johnson took the matter under advisement
until 2 p. m. Monday.

The Awful Life of a Lawful Wife.

All have been told "Ignorance is the
Mother of Crime," and that no crimes are
so severely punished as those committed
against Nature. The courts only state
the voice of Nature when they affirm:
"Ignorance of the law does not excuse
guilt." It is these fundamental facts in
the operations of natural law that make it
possible for a woman who enters the mar-
riage relation with the full sanction of the
law of the land and love of her heart, to be
condemned to an awful life of servitude
and suffering.
Don't let her smile deceive you. She has
trained herself to bear what she looks upon
as part of the burden of her state.
The sudden reason of this sad con-
dition of affairs is ignorance. The young
girl grows to womanhood ignorant of her
physical needs and dangers. When a word
might save her years of suffering, modesty
bids her keep silent. She loves and mar-
ries and enters upon the marriage state
with all its obligations to the unborn,
handicapped by conditions that make life
a burden to herself and a menace to her
offspring.
What can be done to correct irregularities
resulting from neglect, to restore the dis-
turbance to a natural and healthy con-
dition, to give back vitality to a system
drained by disease, to re-attune the great
MACHINERY OF THE NERVES
to divine melody after the years of discor-
d? It was the endeavor to answer these
questions that gave to the world Dr. Pierce's
Favorite Prescription, the most effective
remedy ever compounded for the ill and
ailments peculiar to the delicate feminine
organization.
By the use of Dr. Pierce's Favorite Pres-
cription the drains that debilitate the sys-
tem are promptly stopped. Inflammation
of the uterus is quickly cured. Disor-
ders of the womb and the organs sym-
pathic with it are overcome, and woman
is put into a condition where the func-
tions of nature are restored as well as her
privilege. In this condition children are
born without anxiety as almost without
pain. The elasticity imparted to the organs
of parturition practically does away with
the pangs of childbirth. Vitality is im-
parted which makes the mother and her
child a delight instead of a drain, and the
robust child sharing the strength of the
mother grows strong and healthy and
brave. Contrast this plain statement of
fact with the condition of so many women
who anticipate motherhood, worn-out,
suffering, fearful, anxious, bringing children
into the world with reluctant suffering and
rearing them painfully through a sickly
childhood. Thousands of women are
Pierced's Favorite Prescription like these
facts that are part of the sum of public
knowledge and testified to on both sides of
the Atlantic by hundreds of thousands of
women? "Thank God for Dr. Pierce's Fa-
vorite Prescription" has been the heartfelt
cry of many.

A WOMAN RELEASED

By its means from the results of ignorance
and neglect. There is no longer any rea-
son why women should suffer as they are
suffering which have almost come to regard
as the heritage of their sex. Women who
have failed to find help for their disorders
or who have not found the "Favorite Pres-
cription" to work as quickly as they de-
sire are invited to write to the Doctor him-
self. Write without fear and without fee.
There is no charge for such consultation.
All communications are absolutely held in
sacred confidence, and the cure given does
not involve local "treatments" and "ex-
aminations" at which the natural modesty
of every woman revolts.
A FREE GIFT!
To every reader of this paper who will send
me a mailing order for the stamps to defray
the cost of mailing only, Dr. R. V. Pierce will
send you a copy of his great work on "Home-
treatment of Disease,"—It is especially
written to be intelligible to man, woman
or child. It is especially practical. It is full
of hygienic hints which will render the path
of the short cut to health. Over seven hundred
pictures illustrate the most important work.
If you want the "Common Sense Medical Ad-
vice" in paper-covered form, send stamps to
cover the cost of mailing only. Or send
cents in stamps for the same book handsomely
and strongly bound in cloth. Address: The
