SHELLING THE BRITISH GENERAL MACARTHUR

American War Vessels Will Not Be Sent to African Ports

Our Government Will Maintain Strict Neutrality // Boers are Dropping Shells into the British Camp on Mooi River // Large Force of Boers Approaching Pietermaritzburg // Genral Joubert's Daring Plan // Will Attempt to Defeat the Relieving Column in Detail While Reducing Ladysmith.

Shelling the British. By Associated Press to the Journal. MOOI RIVER, Natal, Nov. 23.—The Boers began shelling the British camp at 5 a. m. The British artillery is on high ground to the East, West and North of the station. The artillery duel continued until 8, when it ceased for an hour. The Boers recommenced at 9 and dropped three shells into the camp.

No American Vessels. New York, Nov. 23.—A special to the Herald from Washington says: It has never been the intention of the navy department to permit Rear Admiral Schley to proceed to South African ports. The Secretary of the Navy especially instructs Admiral Schley not to direct any of the vessels of his command to proceed to African waters without special instructions from the department.

British Alarmed. LONDON, Nov. 23, 5 a. m.—Although it is evident that the situation in Natal is again becoming sufficiently alarming, nothing can be officially ascertained to allay public anxiety or the curiosity felt regarding the disposition of the reinforcements recently landed at Durban.

Boer Losses. PIETERMARITZBURG, Nov. 21.—The official returns of Transvaal casualties since the outbreak of the war show that 80 men have been killed and 200 wounded, of whom a number have recovered and returned to the front.

Boers Marching South. DURBAN, Nov. 23.—About 3,000 Free State Boers, with guns, are marching from the West, by way of Fort Nottingham.

Relief of Kimberley. LONDON, Nov. 23.—The Daily Mail publishes a dispatch from Naauwpoort, dated Wednesday, which says that a large force, under General Methuen, has crossed the Orange river, and is advancing to the relief of Kimberley.

Political Pointers. LONDON, Nov. 23.—It is reported that Mr. Hoffmeyer, the Afrikaner leader, has taken an important step in the hope of hastening the close of the war. He is said to have charged Mr. Sauer, the minister of public works, to get in touch with the Free State forces in an endeavor to arrange that the Boers shall apply for an armistice. The ostensible object of Mr. Sauer's trip is to induce his constituents at Alwal North to remain passive.

The Boer requisitioning of men and supplies proceeds briskly on the northern border of Cape Colony, but General Gatacre hopes soon to be in a position to push the Free Staters back within their own borders. The reoccupation of Naauwpoort by the British is the first step in this direction, but strong forces of Boers are laagered at Colerberg, and threaten a further immediate advance from there.

Sir Charles Dilke, M. P. for the Forest of Dean division of Gloucestershire, speaking at Chelsea this evening said: "When the British forces enter Bloemfontein, some declaration regarding the future will have to be made. The settlement, in order to pacify South Africa, as Canada has been pacified, must be one in which the constitutional position of Cape Colony and Natal must play the leading part. The big guns and the forts must be got rid of."

It is announced from Paris that Colonel Ville de Bismarck, a French officer, has accepted the post of chief of staff to General Joubert, in succession of Colonel Schiel, the German officer, who was wounded, and taken prisoner at Eland's Laagte. From the same source it is reported that the Russian officers, Lieutenant-Colonel Gonetski, of the guards, and General Zeletz, of another crack Russian regiment, have resigned, and are going to join the Boers.

Reinforcements for Durban. LONDON, Nov. 23.—The admiralty office announces that the first dragons left Capetown today for Durban, to reinforce General Cleary's force whose advance is delayed by lack of cavalry.

Is Butler Scared? CARE TOWNS, Nov. 23.—General Buller has started for Natal.

Made a Campaign Without Firing a Shot at the Insurgents

He Was Given an Ovation at Tarlac // Declares the Intentions of the Americans to Fortify all the Towns on the Railroad // Aguinaldo's Army in the Harvest Fields But Their Leader Busy Elsewhere

Officer's Remains. By Associated Press to the Journal. SAN FRANCISCO, Nov. 23.—On the train port Belgian King, just arrived from Philippines is the body of Major Guy Howard who was killed October 21.

Fighting in Philippines. By Associated Press to the Journal. MANILA, Nov. 23.—Severe fighting north of Ilo Ilo began November 21. Four Americans were killed and twenty five wounded, including three officers. The insurgents are retreating to Santa Barbara, but the fighting continues.

Ma Arthur Returns. By Associated Press to the Journal. MANILA, Nov. 23.—MacArthur has returned to Tarlac. During the entire movement from Genena to Dagupan not a shot was fired. The inhabitants of San Carlos met the Americans with a band and the mayor, with MacArthur and Colbell, headed the procession through the town.

MacArthur received an ovation. Explaining the American intentions, he announced that they intended to garrison all the towns on the railroad. Hundreds of men are harvesting rice along the railroad.

Foreigners assert that Aguinaldo was not expecting the American to advance for a month. He had permitted a large part of his army to scatter and do the harvesting.

Aguinaldo's Escape. By Associated Press to the Journal. NEW YORK, Nov. 23.—A dispatch to the Herald from Manila says: The opinion of many men and resident foreigners is that Aguinaldo has probably escaped by changing the seat of war into the northern part of the island.

They think he has taken a considerable army with him. This, if true, will necessitate a new series of operations on our part, and Aguinaldo has gained a temporary strategic advantage.

Cattle Breeders. By Associated Press to the Journal. CHICAGO, Nov. 23.—The American Cattle Breeders Association, the leading organization of its kind in the United States holds its annual meeting here today.

Deboe and the President. WASHINGTON, Nov. 23.—Senator Deboe, of Kentucky, had a conference with President McKinley, regarding the situation in Kentucky. The interview was of a nature which Senator Deboe did not care to divulge. He admitted that he had come to Washington on purpose to see the president.

Prohibition in Georgia. ATLANTA, Ga., Nov. 23.—The Willingham bill, providing for state prohibition.

Blackfoot, Idaho, Nov. 23.—Ex-Senator Dubois, who is chairman of the executive committee of the national Silver Republicans, left for Chicago to attend a meeting of his committee. November 28. Teller, Towne, Hartman, Representatives Wilson and Shafroth and other national Silver Republican leaders will be present.

Mr. Dubois says that the bimetallic issue is still the important one, and that the next national fight can be won with Bryan and the Chicago platform. He does not think imperialism or expansion will be an issue, but that it will settle itself before the next campaign. It cannot, in his judgment, in any event divide the bimetallic forces.

Senator Gorman and Richard Croker Throwing Out a Feeler // Under the Two-thirds Rule They Declare They Can Retire the White Metal Champion // Silver Men to Meet // Prohibition in Georgia // Situation in Kentucky

Anti-Bryan Movement. By Associated Press to the Journal. NEW YORK, Nov. 23.—The Herald says: Maryland democrats will lead an anti-Bryan movement, if any encouragement is offered by leaders in this and other eastern states. This fact was announced to Richard Croker by ex-Senator Gorman and Governor-elect Smith. Senator Gorman is quoted as saying that a sufficient number of anti-Bryan delegates will be sent to the national convention to prevent the Nebraska leader from obtaining the vote necessary for nomination. Other eastern and some southern states are expected to follow Maryland's example. No candidates has been settled upon with whom to oppose Bryan.

Silverites to Meet. BLACKFOOT, Idaho, Nov. 23.—Ex-Senator Dubois, who is chairman of the executive committee of the national Silver Republicans, left for Chicago to attend a meeting of his committee. November 28. Teller, Towne, Hartman, Representatives Wilson and Shafroth and other national Silver Republican leaders will be present.

ENGLAND HUMILIATED

Consols Falling and Boer Invaders Occasioning Constant Surprises

By Associated Press to the Journal. LONDON, Nov. 23.—The fact that fresh portions of Natal are being overrun daily by the Boers is producing an exasperation in that colony and immense humiliation in Great Britain, where the idea of possible extensive violation of British soil was contemptuously dismissed in the early stages of the war. Operators on the stock exchange here are becoming nervous, and the continued fall of consols exemplifies the restlessness of the market. Rumors that a peace deputation from Kruger is on its way to Cape Town, for the purpose of ascertaining the terms upon which an immediate cessation of hostilities may be secured is discredited here. From the scanty and emasculated dispatches dribbling in from the front it is difficult to form any opinion of the true situation. The Boer invaders are occasioning constant surprises. They have already cut off two portions of the Ladysmith relieving forces from their base of supplies, and with great rapidity are advancing on Pietermaritzburg. It is reported that Mafeking is suffering from lack of water and that the fever is rife there.
