JOURNAL "X" RAYS.  
"The whole town has been surrendered to the Populists."—Alderman Lon Gesner.  
You will want your write-up in the end of the Century Christmas Journal just for luck.  
A current newspaper paragraph says that Aguinaleto must study the cake walk if he wants to make a hit with the American theatrical managers when he comes over here. Aggy will not trouble the managers. He has a sure future awaiting him on the track.

The Tacoma News is the popular evening paper of that city of the Sound. It is possessed of great editorial ability and a broad literary and humanitarian spirit. It has added a new Hoe perfecting press, but what is better and of more importance to Tacoma, it announces that it has secured its everlasting and absolute independence as a newspaper.

Here is a pointer:  
All the bonds for deeds being given for right of way for the Salem & Pacific coast railroad are conditioned that the road must be completed to Falls City through 1900, and are made direct to the company.  
The year 1900 may see a railroad from Tillamook via Salem through to Eastern Oregon. That would be something worth having.

If George Washington Aguinaleto's nursing bottle and rattle are included in Mame Aguinaleto's outfit, which General Otis has intercepted, there is no longer any doubt that the United States is waging a cruel and inhuman war against the Tagalogs, and especially against that portion of the tribe included in the Aguinaleto branch, mere et als.—Klamath Falls Express.

Penitentiary East Oregonian: "A 'happy-end administration,' at Salem, has succeeded during the past year in giving a better government to the Salem people at a saving in expense of \$5,000 a year. This is another illustration of the truth that good government costs less than had government. Those who

becomes poison in a few hours and is responsible for constipation, indigestion, dyspepsia, languor, nervousness and all liver and kidney ills. Where there is one or all of these ailments Hostetter's Stomach Bitters should be taken at once. It prevents as well as cures all stomach ills, and is a specific for malaria and fever and ague. When you get it see that a PRIVATE REVE-SURE STAMP covers the neck of the bottle.

**Oh, the Pain of Rheumatism!**  
Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.  
A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I tried several prominent physicians and took their treatments faithfully, but was unable to get the slightest relief. In fact, my condition seemed to grow worse, the disease spread over my entire body, and from November to March I suffered agony. I tried many patent medicines, but none relieved me. Upon the advice of a friend I decided to try S. & S. Before allowing me to take it, however, my guardian, who was a shrewd analyst, told me that S. & S. was a genuine, pure vegetable, and contained no poison, mercury, or other mineral. Books mailed free by Swift Specific Co., Atlanta, Ga.

Dr. J. F. Cook, the Botanical Specialist, Succeeds Where Other Fail.  
To whom it may concern:  
This is to certify that Bertha P. Conner, of Mt. Angel precinct, Marion county, Oregon, has suffered from a cancerous growth in the left ear for about three years. The growth was cut out twice and healed by Albany Physicians, but the growth came back as bad as ever, and pained her so badly that she had to be taken from school. After three weeks' treatment by Dr. J. F. Cook, of Salem, Oregon, the Botanical Specialist, the growth entirely disappeared, and at this date, four months since treatment was begun, the growth has not reappeared, and the ear has entirely healed leaving only the scars inflicted by the Albany doctors.  
I hereby certify that the above statement is absolutely true, and the person mentioned in the affidavit, has resided in my family since early childhood, bearing the relationship to me of niece.
