ROOT ON CUBA AND THE PHIL

Secretary of War Root has submitted

its close, has been due for the most part to inadequacy of force rather than to incompetency of direction on the part of General Otis or his subordinates. A high tribute is paid to the courage of the soldiers in the Philippines whose greatest hardships have come from natural obstacles, rain, rivers, swamps, jungles, heat and the like, rather than from Aguinaldo's troops.

Cuba naturally occupies a prominent place, and the Secretary's showing according to late advices, seems to be quite as satisfactory to most of the its close, has been due for the most part

quite as satisfactory to most of the Cuban leaders as it is to the people of the United States. In Cuba order has been established and maintained, disress adequately relieved, sanitation accessfully instituted in cities, and American troops would not be now needed in the island but for the fact Methuen cannot advance, how can that a restraining influence is still necessary. The movement of withdrawal of troops has already begun and will in all probability continue so long as warranted by the orderly conduct

heir positions with the greatest care. far the greater number of educated Cubans have shown themselves to be appreciative of the position and purperfectly familiar with the physiograworking out has been intrusted. The uneducated Cubans are, for the most Root lears the responsibility of placing municipal elections, or the framing of

a general constitution for the island. The transportation of troops and their general health is set forth as a subject congratulation. The many voyage of transports to and from Manila have been made, practically, without death or disease, and the total mortality among the troops in the Philippines, during the last ten months, has been 843, the percentage being 17.20 in the thousand, a remarkably low rate.
