ABUSES IN KLONDIKE.

What an American Has to Endure at Dawson City.

Take on Wood, Tax on Water Tax on Everything, and Foreigners Must Pay it or Quit.

Mr. E. O. Smith, recently returned to Portland to Alaska, speaking of the persecutions and exactions visited upon Americans by Canadian officers says:

"At Atlin a foreigner has to pay a heavy tax on everything, and then have his claim taken from him, and now at this time claims for several millions of dollars are filed against the government for grounds that were taken. Also at Dawson, where the British flag is flying with all its glory, we Americans, as well as all foreigners, have to pay 10 per cent of the output of the mines, besides taking out a license, which cost \$10 for one year."

GET OUT OR BE ARRESTED.

"Also trouble came when we went to record. The officers always have some excuse to put you off for three or four days. During the time the officials send some man of their own, and if he thinks the ground good, he stakes it and goes to Dawson, and has it recorded, and the officers receive one-half. Then, when the discoverer goes to see about recording his discovery, he is simply informed that the ground is recorded. They do not allow anyone to argue the point. If it is attempted you are gruffly told to get out of line. If you don't obey, without a word, you are arrested, and that means 30 days on the woodpile."

A TAX ON DRINKING WATER.

Also, if any one should pick up the driftwood that floats down the Yukon, he is compelled to pay 50 cents a cord for it. The officers are in with syndicates that have sunk wells all over Dawson, and they have men at every well, and compel you to pay 10 cents per gallon for water. Also every one is forbidden from taking water from the Yukon or Klondike for house use. This is to force people to buy water, whereby it helps to enrich the officials.

I could name a good many more such steals, but it is hardly necessary. I call to mind one incident where a gentleman or foreigner placed a free ferry across the Klondike, so that miners could cross at will without pay. The government forced him to quit and do away with the ferry, whereupon they, with other parties placed a boat on the river and compelled every one to pay 25 cents per head to cross.

FORBIDDEN TO CELEBRATE THE FOURTH.

Then again we were forbidden to celebrate the Fourth of July, 1899. They issued an order on the 3d of July so we Americans had to obey or saw wood. The man that had to make a living by fishing and hunting was compelled to pay a license and tax for every pound besides. Then again, after one had secured a license to cut logs and build a cabin, the police would come around and compel you to pay 50c per log after paying \$10 for the privilege. In fact one has to pay a tax on everything he gets except the air he breathes."

Why Smith Left Home.

Because Brown's in town and has said so much about the Wisconsin Central's line between St. Paul and Chicago that Smith could not resist the temptation of a trip east.

Gray Hairs Can be Deferred

Premature gray hairs usually are the effects of carelessness. If the scalp is kept free of dandruff and properly nourished and strengthened, gray hairs would be unusual before the age of forty or forty-five. There is no remedy in existence that will restore color to gray hairs, but the

Seven Sutherland Sisters'

Hair Grower and Scalp Cleaner, if applied according to directions contained in each package, will positively defer gray hairs until nature compels their appearance. There are today thousands of American men and women who have revived the dying energies of their hair through the faithful use of these simple and natural remedies. Sold by leading dealers.

News Censorship.

New York, Jan. 15.—A dispatch to the Tribune from London says: Although Lord Roberts telegraphed from Cape Town last night that there was no change in the situation, the continued absence of news as to General Buller's movements is not considered reassuring. The silence of the correspondents is doubtless due to the censorship, and the messages which General Buller has sent for the information of the war office it has probably been considered inexpedient to make public.
