

Spinal Disease Cured in Four Months

Richard D. Crech, of 1062 Second Street, Appleton, Wisconsin, says:

"Our son Willard was absolutely helpless. His lower limbs were paralyzed, and when we used electricity he could not feel it below his hips. Finally my mother, who lives in Canada, wrote advising the use of Dr. Williams' Pink Pills for Pale People and I bought some. This was when our boy had been on the stretcher for an entire year and helpless for nine months. In six weeks after taking the pills we noted signs of vitality in his legs, and in four months he was able to go to school. It was nothing else in the world that saved the boy than Dr. Williams' Pink Pills for Pale People."—From the *Crescent*, Appleton, Wis.

Dr. Williams' Pink Pills for Pale People contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, periodic paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of a gripe, palpitation of the heart, pale and sallow complexion, all forms of weakness either in male or female.

Dr. Williams' Pink Pills for Pale People are never sold by the dozen or hundred, but always in packages of 50 pills, or direct from the Dr. Williams' Medicine Company, Schenectady, N. Y., 50 cents per box, 4 boxes \$2.00.

WHEAT AND STOVES.

A Baker City paper has discovered that it takes twice as many bushels of wheat to buy a stove as it did in 1896. Why farmer have known that for some time.—Salem Journal (Pop.)

And it doesn't take half as many bushels of wheat to buy a stove as it did in 1894. Why don't you tell that, too; you shrike of calamity?—Forest Grove Times.

To Cure LaGrippe in Two Days

Take Laxative Bromo Quinine Tablets. All ailments follow the money if it fails to cure. W. R. GIBSON'S is on each box.

Pay warrants and stop interest with that postage money.

It used to be the "calamity howl," but now it's getting to be the "prosperity howl."

A Salem dentist who advertises says it's not unprofessional to do what he advertises today.

Letters addressed to Secretary Gage should bear the familiar postscript: Burn this.—Boston Herald.

The average for the two years 1893-4, was 46 cents. A 10 bushel stove then would be a 14 1/2 bushel stove now, taking 45 per cent more wheat instead of half as much. That is another reason we do not state it as the Times suggests.

It takes within 1 1/2 per cent as much wheat now to buy a certain stove now as it did to buy the same stove when wheat was at the very lowest point, 31 1/2 cents, in October, 1894, of when every one acknowledged that the farmer was on ragged edge of utter ruin.

WASHING WOOLEN BLANKETS

The theory now is, that blankets must be washed instead of dry-cleaned to be healthy. To have your blankets as soft as new, and to save the use in which you wash them, use Gold Dust. It will wash your blankets as soft as new, and will save the use in which you wash them.

THE S. S. FAIRBANK COMPANY, Chicago, St. Louis, New York, Boston.

Wisconsin has a new law which requires the public registration of all lobbyists, a list of the bills they oppose or promote, and a list of the corporations or individuals by whom they are employed. If such a law can be enforced it would be a good thing for other states to try.

Marion County Republican papers insist that Democrats and Populists can't lose this year. Since the Republicans furnish the Middle-Roaders their campaign fund it would seem no more than fair to let the g. o. p. do the fusing as of yore.

Have the American people decided to endorse another charitable institution? Mr. Rockefeller has advanced the price of coal oil so that we are now paying 25c per gallon. If Mr. Rockefeller says so we will most likely endorse.—Yanhill Record.

Salem's city administration still demonstrates its ability to do business. About six months ago it offered Uncle Sam an allotment site yesterday it deposited the money for the same in the Ad. & Bus. bank.

The time is coming when the Salem Journal will about for Bryan, free silver and anti-expansion.—Woodburn Independent.

Since the Woodburn organ of protection is demanding free trade in white paper and pulp it may be the first to join the throng of the opposition.

Why wasn't Roberts born in Sula? Then the administration might be paying him a salary to maintain his harem, instead of trying to drive him from public life while it appoints his co-polymatists postmasters.—Ex.

"Say," said the Filipino courier breathlessly, "General Otis has captured Insurgents!"

A New York preacher reports 1,300,000 people in that city who don't even profess Christianity. That ought to be a good field for the reverend gentleman to work.

THE KENTUCKY SITUATION.

Some Logical Remarks by One of Oregon's Plain Citizens.

The turn affairs have taken in Kentucky within the past few days naturally causes the patriotic citizen to enquire, "Where are we at?" and to wonder if history is not repeating itself, and bringing us through the conditions that existed just previous to the decline of the Roman empire.

We have also believed even governors elect and governors to be, equally with the citizens, bound by the laws of the state as enacted by the legislative assembly. Being civilized people we have never acknowledged the right of any man or organization of men to use force to enforce the enforcement of the state laws.

GLORIOUS HAIR

Is a matter of choice. Any woman may have it if she takes the trouble.

HERE'S PROOF

Miss Carrie Sparr, 2780 Cherry Street, Kansas City, Mo., writes: "Six weeks ago I began using the Seven Sister's Scalp Cleaner and Hair Grower. My hair was very thin, having fallen out from scarlet fever. Thick, glossy hair is now coming in, and I am positive the remedies have greatly helped me. I advise everyone to use them."

Brown Writes Smith All About What Happened to Jones.

CHICAGO, Ill., 19—My DEAR SMITH: Your pointer was a peach. I left for Chicago immediately after I saw you, and of course bought my ticket over the Wisconsin Central Ry. from St. Paul to Chicago. I had plenty of time in St. Paul to go up town and get my supper, as my train leaves St. Paul at 7:30 p. m.

I returned to the depot about 7:20. When passing through the gates the stationmaster said: "There's your train to the right." I handed my grip to the stationmaster's porter, who placed it in my berth. (You will notice I call this my train, while it really belongs to the Wisconsin Central.) I could not help but feel that I owned the train, and even the road, the employees are so courteous. I then prepared myself for the journey in store. Well, talk about traveling! I have traveled all over the wide world, but never had a more delightful trip than this one from St. Paul to Chicago over the Wisconsin Central Ry.
