## Fuel for Force

Your body must have force, nervous force, muscular force, digestive force. Fat is the fuel used to supply this force. If you are weak in any of these forces, use more fuel.

The cod-liver oil in Scott's Emulsion is the best fuel for this work. Your nerves grow stronger, your muscular power increases, and your digestion improves.

Scott's Emulsion is sold by all druggists. SCOTT & BOWNE, Chemists, New York.

leas of good city, county and school government were really more important than a man's opinion on the tariff and silver. He winked his eye and said he thought it was even so.

It is a mistake to emphasize differences of opinion about religious matters. A man or woman you may not agree with may be useful in other ways. Such an erring brother or sister may be an agreeable neighbor, pay bills promptly, abuse none of the family, vote right and be an all-around good citizen in every other respect.

The Salem school election means that the people do not want politics or personal affairs to enter into the management of the school district. The public schools are the most sacred trust of the American people and the prominent Republicans who went out of their own party to select a director showed a proper appreciation of the situation.

In Jane county the Democratic and Populist county central committees met and appointed delegates to their respective state conventions. They will put up no county tickets. If there is any way for the people to cut down taxes and kill machine politics and county rule in all parties they seem to think the people ought to have a chance to do it.

In Salem steps are being taken to collect a fund for the relief of the widows of the Boers who have fallen or may fall in battle. What is the matter with Kruger and his associates in the legislative council giving the widows a thousand or two each? They could afford to do so and still have fortunes left. Astoria News.

The collection of this fund must be stopped for the present as there is now probably no way to get funds to the Boers after they are collected.

"Carry Sunshine With You."

A bright fresh face is always in spring, and it always denotes good health as well as a happy heart. The many faces that were once overcast with gloom have been made bright and sunny by Hood's Sarsaparilla, which cures all dyspeptic symptoms, strengthens the nerves and builds up and invigorates the whole system.

Constipation is cured by Hood's Pills, the non-irritating cathartic. Sold by all druggists.

is to see to it that her children begin early in life to shampoo their heads regularly once a week. In each instance, after the hair is thoroughly dry, some mild, health-giving tonic should be applied to the scalp to aid nature in causing the best possible growth of uniformly colored, lustrous, healthy hair—the most important feature in the make-up of beautiful women and handsome men. For more than fifteen years, the

has stood at the apex of all shampoo washes, while the "Hair Grower" has been equally successful in causing the best possible growth of healthy, wavy hair on the injured scalp and almost lifeless hair to their natural healthfulness.

ALL A MISTAKE.

But a Mighty Serious Fact Just the Same.

There is a story of a man who was put in public pillory because he couldn't pay a small debt. An anxious friend came to inquire about the circumstances and then "mused a moment" before he said: "Why, goodness gracious man, they can't put you in the pillory, just for debt!"

"People who die of waning illness and blood diseases are simply starved to death because the stomach and blood-making glands don't furnish sufficient nourishment to feed the constitution. Most of the people who die of consumption die because their lungs can't get enough good blood from the digestive organs."

When these fail to do their work and a torpid liver allows the circulation to become choked up with bilious poisons, the whole system is laid wide open to every form of malignant and fatal malady.

People by hundreds write every day to Dr. Pierce, at Buffalo, N. Y., declaring that his "Golden Medical Discovery" has cured them of some dangerous illness that doctors could not master; yet all that this "Discovery" does is to enable the digestive and nutritive organs to get good food, and gives the liver power to keep it pure. Nature does the rest.

It is the real of the digestive organism affects the whole body for good or evil in shown in the case of a little girl living in New York City, Nebraska. Her father, Mr. C. C. Rummel, is a grateful letter to Dr. Pierce, writes:

"My little girl had a severe attack of grip. It settled in her stomach, causing indigestion and bowels. She had two doctors who gave up the case. The third relieved her, but September found her helpless. People by hundreds write every day to Dr. Pierce's Golden Medical Discovery and 'Pierce's Sarsaparilla' cured her. Our bill for medicine was over hundred dollars, and to Dr. Pierce, only one dollar."

"The 'Discovery' to all who are victims of mal-nutrition. It creates a vital activity of the nutritive system which promotes the elimination of poisonous disease germs and wastes tissue and the rapid building up of the system. Dr. S. F. Finney, Esq., of Amelia, Allegheny Co., N. C., writes:

"After recovering from a spell of typhoid fever, I was taken with a terrible cold. After trying several remedies and all to no avail I received a copy of your 'Golden Medical Discovery.' After taking one bottle I felt greatly relieved, and after using several bottles I was entirely cured. It is the best medicine I have ever used. It is worth its weight in gold to those who are afflicted with colds, coughs, and other ailments. It is also an ALMANAC of Calendars, the Weather, Astronomical Data, Hints for Each Month, States, etc."

"I have a great thousand-page illustrated book, the 'Common Sense Medical Adviser,' will be sent free of charge on receipt of one-cent stamp to pay the cost of mailing only; or for 11 stamps a heavier cloth-bound copy. Address: World's Dispensary Medical Association, Buffalo, N. Y."
