## Foul-Smelling Catarrh.

Catarrh is one of the most obstinate

to get rid of.

There is but one way to cure it.

The disease is in the blood, and all the sprays, washes and inhaling mixtures sprays, washes and inhaling mixtures in the world can have no permanent affect whatever upon it. Swift's Spejific cures Catarrh permanently, for it is the only remedy which can reach the lisease and force it from the blood.

Mr. B. P. McAllister, of Harrodsburg, Ky., had Catarrh for years. He writes:

"I could see no improvement whatever, though I was constantly treated with aprays and washes, and different inhaling remedies—

and washes, and different inhaling remediesin fact, I could feel that
each winter i was worse
than the year previous.
"Finally it was
brought to my notice
that Catarrh was a blood
disease, and after thinking over the matter, I
saw it was unreasonable
to expect to be cured by

to expect to be cured by remedies which only remedies which only reached the surface. It s. S. S., and after a few bottles were used, I noticed a perceptible improvement. Continuing the remedy, the disease was forced out of my system, and a complete cure was the result, I advise all who have this dreadful disease to abandon their local treatment, which has never done them any good, and take S. S. S., a remedy that can reach the disease and cure it."

To continue the wrong treatment for To continue the wrong treatment tor Catarrh is to continue to suffer. Swift's Specific is a real blood remedy, and cures obstinate, deep-seated diseases, which other remedies have no effect whatever upon. It promptly reaches Catarrh, and neverfalls to cure even the
