CANCER IS NOT INCURABLE

Time was when Cancer was considered as incurable as leprosy. Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood—is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters. The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe and stubborn form of the disease may develop from a sore or ulcer on your tongue or other part of your body; a slight bruise or hurt, a little pimple on the eyelid, lip or nose, a small lump on the jaw or breast, a harmless looking wart or mole, and other causes so insignificant as to attract little or no attention. If you have an obstinate sore, don't rely upon salves or ointments to cure it—begin with S. S. S. at once; it will cleanse your blood and prevent the formation of cancerous cells.

Impure Blood Invites Disease.

Mrs. R. Shirer, La Plata, Mo., writes: "A small pimple came on my jaw about one inch below the ear on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious until the jaw began to swell and became much inflamed. At the same time the sore began to spread and eat into the flesh, and gave me intense pain. I tried everything I could hear of, but nothing did me any good. I then began the use of S. S. S., and after taking several bottles the Cancer healed, and there is now no sign of the disease. This was two years ago, and I am still enjoying perfect health."

Send for our special book on Cancer; it contains much information that will interest you; it is free.

Write our physicians about your case, and for any advice or information wanted; they have made a life study of Cancer and all blood diseases. We make no charge whatever for this.

SOCIAL NEWS AND VIEWS

SOCIAL AND PERSONAL.

Miss Josephine Jacobson, who has been visiting Miss Helen Calbreath, has returned to her home in Portland.

Mr. and Mrs. D. J. Fry expect to leave for a tour of Europe and the Paris Exposition as soon as they can complete arrangements.

Miss Annie Atwood has returned from Oregon City, where she was the guest of Miss Gowan, and also attended some League sessions.

Judge and Mrs. Wm. Ramsey, of McMinnville, are in the city. They are here looking up a location and expect to remove here soon.

The many friends of Miss Marie Tongue at Salem and other towns will rejoice at her father's good luck in securing a renomination to congress.

Mrs. W. H. Byars, who is at Madeira, Cal., is reported as very much improved in health. She is with her son, Fred. Byars, who is practicing medicine at that point.

Mr. Long, the well-known traveling man, arrived from Ashland this morning. He says the fine prospect for a big fruit crop there has been nipped in the bud by the severest frosts that were felt all winter and the trees will have a rest for a year.

Miller Spaniol, of Stayton, was in town today. He says the Citizen's ticket gives general satisfaction. He says W. W. Elder for county judge is very popular in his home community. He says he is a self-made man and is a good business man.

Rev. J. M. Shulse, formerly of Salem, now of Boseman, Mont., has purchased a farm of 150 acres near that place and moved his family onto it. He moved to Montana, for the health of his family who are afflicted with consumption. For a time they seemed to improve but recently the eldest son Arden is failing rapidly and Miss Fanqie is not permanently improved.

PADEREWSKI WORSHIPPERS

A rumor that Paderewski, the great pianist, would be on the train took a number of people to the train yesterday afternoon but to their disappointment his bushy head was not to be seen.

The distinguished Polish artist went through Salem on his special car attached to the first section of the overland train Wednesday morning.

At Ashland Paderewski (pronounced Paderefsky,) left his palace on wheels to take the air and showed himself to the crowd. He is a little fellow with blue eyes and a washed-out brindle mop of hair. At Salem he was not visible at the early hour the train passed here.

The following Salemites went to Portland to hear him this evening:

Prof. Francesco Seeley and Mrs. Seeley, Mrs. E. P. McCornack, Mrs. F. L. Willman, Miss Hubbard, Miss Childers' Miss Hirsch, Fred Waters, Mr. and Mrs. A. F. Hofer, Jr., Mrs. E. Hofer, Mrs. F. R. Anson, Miss Shelton, Miss Cox, Miss Calbreath, Prof. Parvin, Geo. C. Will, E. T. Barnes L. L. Gessner, Miss Lelo Nicklin, Mrs. C. S. Riely and daughter.

THE THEATRE.

Mark Twain's play Paddenhead Wilson drew a good house at the Reed Tuesday evening. Burr McIntosh's presentation of the leading part is a wonderful imitation of Mark Twain himself.

Saturday April 14, On the Suawnee River.

FROM EXCHANGES.

The Congregational church of Eugene has extended a unanimous call for pastor to Rev. Mac. H. Wallace, of Oakland, Cal. The gentleman is said to be a man of much literary culture.

Dr. Emily McBride Yeargain, of San Jose, Cal., is spending a month in Ashland for the benefit of her health, a guest of Mr. and Mrs. D. F. Fox. Dr. Yeargain is a sister of the senior United States senator from Oregon, Hon. Geo. W. McBride

Roseburg Plaindealer: Miss Lillie Crawford, who has been visiting with Miss stella Harmon, returned to her home at Albany this morning.

The elegant home of Mr. and Mrs. H. F. Barron, a few miles south of Ashland, was the scene of a remarkably happy and brilliant wedding, Thursday noon, when Mr. Edmund F. Roberts and Miss Eunice E Davis were united in marriage by the Rev. J. F. Wallace.

Grants Pass was the scene of a wedding out of the usual, last week. Two brothers named S. E. and J. B. Robinson, whose homes are in Wilderville, some time since made the acquaintance of two sisters named Mahala and Matilda McColom, who lived in Nebraska and were visiting in Josephine county. After the young ladies departed for their homes a correspondence followed, and marriage was proposed by mail. Last Tuesday the young ladies came in response to the proposal, and they were met at the train by their lovers. Licenses were at once procured and the couples united in wedlock by Justice Orr Brown.

CHORAL SOCIETY.

Prof. W. J. Crawford, president of the Salem Choral Society, tendered his resignation last night, for the reason that he could not attend the sessions of the oaganization regularly. The resignation was accepted and Prof. Wm P. Drew, of Willamette University, was elected to fill the vacancy. The society is rehearsing the oritorio of "St. Paul," and at the next rehearsal will be joined by the orchestra.

TEMPERANCE RALLY.

Tonight, at Salvation Army hall, Hon. T. P. Hackleman, of Albany, will give a fine temperance talk, to which everyone is cordially invited. Mr. Hackleman is a good speaker, and those who will come to hear him, will no doubt be benefited. There will be good singing and music during the meeting

Mr. Hackleman is the father of Mrs. R. Kuhn, of the Salem Salvation Army corps.

SUWANEE RIVER.

Which is to be seen at the opera house Saturday night is endorsed as a play to which families may be taken with the assurance that its theme and treatment cannot but appeal to one's great emotions. The story and treatment is the old one of mortgaged estates, intrigue, and the eventual clearing away of a villianous atmosphere before the sunshine of honesty and morality. There is a pathetic love story, a rich vein of humor, and permeating all is the distinct southern flavor of the sunny climes in which the play revolves. A careful scenic investiture has been provided, a meritorious company is promised, and taken as a whole, "On the Suwanee River" must prove an addition to the "home plays" of the stage.

OFFICIAL FIGURES

On the Killed and Wounded in the Philippine Campaigns.

American casualties in the Philippines since August 6, 1898, inclusive of all official reports given out at Washington to April 4, 1900, are as follows:

Killed	467
Died of wounds, disease and accidents	1,186
Total deaths	1,653
Wounded	2,072
Total loss	3,725
Total loss reported last week	3,688
Total deaths reported last week	1,624

Plat of the Post Office Site.

H. B. Thielson has lately been engaged on a set of drawings for the United States Government, showing a plat of the new post office site. These have just been completed and sent to the supervising architect at Washington. Taken in conjunction with the photographic views sent by Recorder Judah, they will furnish all the data in regard to the location of the site and its surroundings which are necessary for the intelligent plannig of the building and all necessary water, sewer and gas connections. The plats prepared by Mr. Thielson, who is a firstclass civil engineer and draughtsman show the general contour of the ground including the court house and Capitol grounds, the elevations, the exact location of the Court street sewer with its depth below the surface, and the manholes therein. The water mains and hydrants, and gas mains are all located, with their depths below the surface. Each telegraph pole, tree and shrub are also shown on the plat, and if the supervising architect wants to know anything more about the site, he will have to come and look at it himself.

Notifying Administrators.

County Judge Terrell is sending out notices to all administrators of estates which have been in process of administration for a number of years and have never been closed up, requesting them to report to the probate court according to law. Many administrators never take the final steps to close up the estates which they handle. They pay off the debts and settle up the estate, turn the property over to the heirs, and seem to think that is all that is necessary; they fail to file their final accounts and have them properly accepted and themselves discharged. Where personal property only is involved, this makes no great difference except in the county records of probate business. But in the case of real estate it leaves a serious cloud on the title, as the records will show a break in the chain of title and an abstract will not show a good title. This proves a serious inconvenience to the heirs if they want to sell; and every administrator should be obliged to comply with the law.

New Sidewalk.

The citizens in the Eastern portion of the city have raised funds to build a side walk on State street from the residence of C. N. Potter to the penitentiary, and a force of men are engaged in laying the walk. This is a long-needed want as there has been no sidewalk leading to the penitentiary for a number of years. John Patterson is also laying a new sidewalk along his East State street property.

Salem a Publishing Center.

The quarterly report of Postmaster Hirsch shows that the amount of postage collected on second class matter mailed by publishers and news agents at the Salem office during the last quarter was nearly 50 per cent greater than for the corresponding quarter of last year. This indicates that Salem is increasing in importance as a publishing center.

HEART FAILURE

Every day adds to the list of deaths attributed to heart failure. If the truth were told the bulk of these deaths might be written down as due to *stomach failure*. For it is in the failure of the stomach and other organs of digestion and nutrition, that "weak" heart, "weak" lungs, "weak" nerves and other forms of physicial deterioration having their beginning. The man whose stomach is sound, who can digest and assimilate the food he eats, and so keep each organ of the body well nourished, is the man who is least liable to collapse under the sudden weakness of some vital organ.

The preservation of health which follows the use of Dr. Pierce's Golden Medical Discovery, is chiefly due to the fact that it perfectly and permanently cures diseases of the stomach and organs of digestion and nutrition, purifies the blood and increases the blood supply of the body. Weak people will find in this medicine a sure means of strength.

"I was under doctors' care for quite a time," writes Mr. J. F. Kidd, of Parmleysville, Wayne Co., Ky. "They had almost given me up, and my suffering was very great. My pulse was weak, breath short and I had severe pains in back, head and legs. Had palpitation of heart, and for eleven months I was not able to do a day's work. I purchased five bottles of Dr. R. V. Pierce's Golden Medical Discovery and by the time the fifth bottle was gone I was a well man."

Dr. Pierce's Pellets regulate the liver.
