SCIENTIFIC PALMISTRY

Readings of Public Officials, City, County and State

As Presented by Prof. Sterling—To Be Followed by Forecasts for Our Business Men.

The following readings in the science of palmistry are of the hands of public officials at Salem. They are made by Prof. Sterling, one of the most renowned scientists in the world in his line. On Monday THE JOURNAL will present the readings of Salem business men.

F. I. DUNBAR, SECRETARY OF STATE.
 You are of a very mercurial disposition and enjoy life to the fullest extent. You are hospitable and delight to entertain your friends. You are very popular among those who know you. You are generally beloved and have enemies. You are inclined to be very regular, orderly and systematic in all your arrangements. You can keep a secret and have excellent reasoning powers. You have a good head line. You will live to a good old age.

WALTER LYON, SECRETARY FOR GOVERNOR.
 Your hand indicates that you have excellent reasoning powers, common capacity for contriving ways and means. You can generally trace effect and cause back to their causes or predict results; are good at making plans, have a strong desire to know the "why" and "wherefore" of everything; are not satisfied with the superficial knowledge, but desire to go to the bottom of every subject; there is a branch at the bottom of every subject; there is a branch at the base of your life line, and it indicates that you will be very prosperous in the year 1901, pertaining to business, wealth and a public position in life; the health line is very strong, and no indications of ill luck whatever; you are fluent and copious in the use of words, both in writing and speaking; you have a large measure of faith, an internal consciousness of right, duty, truth and falsehood, and you love to meditate on spiritual subjects; your hand is of an artistic shape, fully developed.

J. H. BOLAND, COUNTY RECORDER.
 Your head line is very small and you were very sick in the past. You will have a little trouble in the future regarding relatives, and you will surely succeed in the venture you are about to embark in. You should have talent for art. You must be very careful of your health, for I see your health line is very small, and you are inclined to neglect yourself. You eat too fast and your stomach is not in good condition. You will live to a good old age.

W. W. HALL, COUNTY CLERK.
 Happiness is all around you; also you will hold a public position in life, but it will be in the South. You will live to a good old age. You will never be wealthy, but you will never be in want, and you will have many friends. Your kidneys are affected, you had better consult a physician at once, or else you will suffer with disease.

A. L. DOWNING, COUNTY TREASURER.
 Your palm is very broad; you do not go out of your way to gain popularity; are not very complaisant; you do not care for flattery or idle compliments. Conserve does not disturb you. The star you have on the side of your hand indicates that you will fall heir to a large sum of money in 1904 from across the seas. You will live to a good old age. You must not allow yourself to be impulsive.

G. W. JONES, SUPT. OF SCHOOLS.
 Your heart line has a cross and star pointed together. They indicate that you are obliging, like to see others happy, and desire to make them so, but will not overtax yourself to relieve your neighbors of their burdens, and may allow selfish feeling to overrule your kindness. That trait you must not cultivate. You will be beloved by all if you keep on as you are doing. You will live to a good age. You will hear of the death of a friend on the 19th day of June 1900. You should have been a preacher of the gospel.

S. A. MCFADDEN, DEPT. RECORDER.
 Your hand indicates that you have much talent in music and art. You will never be in poor circumstances. You are romantic and brave. You have a very vivid imagination. Your hand shows much strength of character. You have a firm, splendidly formed hand.

J. W. HOBART, COUNTY ASSESSOR.
 You have moral principle. You will be steadfast and reliable. You cannot be driven. You are not easily convinced that you are wrong. Generally carry your point by persistent effort, are very determined and positive set in your ways, sometimes willful if not obstinate, but yet you yield to reason. You never change a plan once adopted. You are a kind person and have many friends. You will always be a happy person.

W. B. COLBATH, DEPUTY SHERIFF.
 Your life was not altogether a bright one in the past regarding business, etc. You were very sick when you were a child. You will be very sick again in a few months. You will pick yourself up all right, but you will be marked the rest of your life. Your health line is very much broken. You will receive a pleasant surprise in a few days regarding money. You will be quite a clever person in society. You are very good and kind-hearted, and you will have many friends. You must not trust a man named Albert in business or friendship.

JOHN BATES, DEPT. SHERIFF.
 You are thoroughly attached to your home, and love your native land with a pure devotion. You are an admirer of a defender of womanhood, and your first impulse is always that woman is right. You are not deficient in combativeness, and your hand predicts success for you in

Wild With Eozema

Fire Could Not Have Been More Painful.

"After spending two years in taking all kinds of medicines that were suggested for eczema, but without avail, my mother was induced to take Hood's Sarsaparilla. The result was wonderfully gratifying. Her limbs had been terribly lacerated by the disease, and there were times when fire could not have been more painful. She was, in fact, almost wild. Two bottles of Hood's Sarsaparilla completely cured her, and not a trace of eczema was left." E. W. DECKER, Gardiner, N. Y.

Eat Well, Sleep Well.
 "Hood's Sarsaparilla has been a great blessing to me. I was weak, irritable, tired and nervous; had no appetite and was always sad and despondent. One day I got hold of a little book about Hood's Sarsaparilla. I looked it over and resolved to try a bottle. I was better before it was gone, so I kept on until I had taken five bottles. I eat now sleep well, feel cheerful and can do all my work, including plain sewing, and I can walk two or three miles a day. I am 55 years old and now feel that life is worth living." Mrs. EMMA SMITH, 88 E. Mitchell St., Oswego, N. Y.

Critical Period of Life.
 "I took Hood's Sarsaparilla during the critical period of my life, and now, at the age of 60 years, I am strong and healthy. It is a great medicine for the blood. I find Hood's to be the best." Mrs. H. POMROY, 22 Lansing Street, Ansbury, N. Y.

You can buy Hood's Sarsaparilla of any druggist. Be sure to ask for Hood's and do not accept any substitute.

PALMISTRY!

Prof. and Mme. Sterling

The Celebrated Palmists and Psychologists are in This City

Nature has bestowed upon these bright young people many advantages. They believe with the Brahmins that the lines of the hand are the markings of God. The drawings and records of the Science of Palmistry can be found in a Monastery at El Karnak, Egypt, and Thibet; also Ninevah, Persia and India. Professor and Mme. Sterling have had access and examined the drawings, and after years of scientific research, assert that your entire life, past, present and future, may be plainly revealed to you through the exact science of palmistry. How? You may ask. You have imprinted yourself by the force of your own emotions. Your hands have acted the part of the sensitized plate to the picture of the brain, and engraved in lines—deep or shallow—that which reveals your own life and perchance the lives of those with whom you come in contact. Added to this:

Prof. and Mme. Sterling Confess to their marvelous psychic powers as a great aid in many important events they may reveal to you; hence their advice on business, marriage, sickness, death, changes, travels, divorces, separations, lawsuits, wills, deeds, mortgages, lost or absent friends, also truly predict in success or failure of new inventions, patents, pending, pension claims, etc., tell you whether you will receive fair dealing with your partners, if you care to know what business you should follow to be successful, what fields to seek and who to avoid if you intend to engage in business, make your changes, buy or sell any property or in fact take any important step, on business, social and domestic life, is of great value to all who consult them. They can place within your reach a remedy for every ailment. There is no heart so sorrowful and lonely that cannot be benefited by a visit to these phenomenal Palmists.

Fortune Telling By cards, tea leaves, mind reading, is perhaps amusing and entertaining, but when you want SECRETS OF TRUTH you should consult PROFESSOR AND MME. STERLING. They are acknowledged the greatest living authority on Palmistry. In their readings they give dates of the principal events and give advice in full detail. All their work is done in manuscript form without asking a question, and is strictly confidential. Call on these Palmists and they will send you away happier, wiser and bolder than before.
