

Our Serges--and Some Others

This Is About Serges

There's a sort that goes into women's dresses--no clothing manufacturer who cared a rap for his fame ever used such--the best of it is made of double yarn with a short filling. After a little wear the strands break out and stand like pinfeathers on the wing of a two-day-old chicken the least bending parts it at the seam.

You don't want to pay \$12.50 to \$13.50 for a serge that isn't a whit better than one we'll sell you for \$10.00. Ours were made for men to wear. We know what sort gives satisfaction. It is our business to know these things. This serge was chosen by experienced judges. A closely woven, staunch, reliable cloth. Guaranteed all wool and absolutely fast color.

\$10 Is not very much to pay for a reliable serge suit but it will buy one at our store, and you have our word and guarantee that it shall be right.

THE DAILY JOURNAL

BY HOWARD B. OTTOM

MONDAY, MAY 7, 1900.

Daily One Year, \$3.00 in Advance.
Daily Four Months \$1.00 in Advance.
Weekly One Year \$1.00 in Advance.

JOURNAL "X-RAYS."

Growing daily popular--popular growing Daily for congress.

The Salem Rose show should combine strawberries as of yore.

The Brownell and U'Ren combination is not popular in Clackamas county.

Marion county vote for 1898 was 6100. Registration to date, 5443. Get your name on the list.

People find that they can get all the news in half the space in a Salem paper. So they take the 1 Cent Daily.

Republican manager Wrightman claims a big majority in Marion county. But the people are going to do the voting.

A learned chap in Forest Grove announces that Mrs. Hatch died of cardiac paralysis. That is a halfpenny way of saying her heart stopped beating. It is not known when anyone has died without their heart stopping. But it costs a great deal more money to be told this fact in three-barrelled words.

The party organs are filling up with statistics made to order for the farmers. All you sell is higher, even hops, wheat and skunk hides. All you buy is cheaper, even nails, fence wire and postage stamps. Your taxes in Marion county are lower even if your receipt don't show it.

When the Salem Statesman is quoted from an Ashland paper uncomplimentary remarks about Hon. John A. Jeffrey, Union candidate for district attorney, it ought to add that the editor of that paper was once forcibly ejected from a public meeting by being snatched by this same Jack Jeffrey.

Manager Wrightman took his candidates for sheriff and county judge--Marshall and Scott--out to Macleay Saturday night, along with some of the rest of the boys and a whoop up was had for the whole ticket by the Macleay Republican club. The thing was done so quietly that the opposition had a chance to be present.

It is now ten o'clock that when Sheriff Durbin sang that fine tenor solo at the Native Sons blow-out the other night at Salem, Finley Perrine and his crowd had arranged to send him up a big cauliflower for an encore. But Frank got onto the combination, saw the boy one

better, and when the applause died away the laugh was on Finley and his crowd, because there was presented to the popular young sheriff a handsome bouquet of jacquemint roses instead of the vegetable. Hard to catch a Durbin napping.

Dr. Bull's Cough Syrup, the People's friend, has been in use over fifty years. It cures the most distressing affections of the throat and lungs; such as, bronchitis, croup, laryngitis and incipient consumption. Price only 25 cents a bottle.

DOG AND PONY SHOW

Salem Will Again Have This Wonderful Exhibition Here.

The world's greatest living animal trappers, Norris & Rowe, will exhibit their Big Trained Animal Shows in this city next Friday afternoon and night, under their enormous waterproof tents which will be located near the Passenger Depot.

Performances will be given at 12:30 and 8 p. m. A new grand free spectacular street carnival and children's fairland parade will be given on the morning of the exhibition at 11 o'clock, at which time the entire company of over 300 animal actors will be seen. Prominent among this season's special features are the greyhound tandem races; the five pony tandem races; chariot races; the wonderful performances of the smallest elephants in the world. For comicality and diversity of absurd tricks and multitude of monkeys with the Norris & Rowe's shows are beyond the power of language to describe.

SCIENTIFIC PALMISTRY

Readings of the Hands of Salem Business Men.

As Presented by Prof. Sterling--To Be Followed by More Forecasts of Business Men.

The following readings in the science of palmistry are of the hands of business men, at Salem. They are made by Prof. Sterling, one of the most renowned scientists in the world in his line. On Tuesday, June 12, will present the readings of more Salem business men.

FRANK LEGG, M. D.
Wealth and a public position is in store for you in the year 1903; you have a large measure of duty and internal consciousness of duty and truth; your hand is of a square type.

P. E. HUME, DRUGGIST.
You will have a decided change in your business soon. You will be very prosperous in five years. You will live to a good old age.

G. C. WILL, MUSIC STORE.
You have a hand that belongs to a machine. You are too much inclined to let your great heart rule you; overcome that or you will always be poor.

G. B. GRAY, HARDWARE MERCHANT.
You are original, cheerful and of a sanguine nature. You seldom worry over small annoyances. You are self-assertive, independent and energetic.

G. F. DABNEY, MERCHANT.
Refinement, generosity, will power, industry, good executive ability, energy of purpose and a keen appreciation of the beautiful things of life are shown.

DAVID STRENN, HARDWARE MERCHANT.
This person is intelligent and clever, and although selfish, is capable of lasting affection. No special talent is displayed but there is considerable amount of versatile ability.

H. G. MEYER.
The 14th day of the month of May is the day you will make a great change. It will occur in this year. You will not take the trip you so much desire.

G. F. SMITH, MERCHANT.
As a salesman you would have made your mark in this world, but you lack confidence in yourself, and you are too proud, too much so for your own good. You have talent if you would only put it to use. You will live to a good old age. You will die through a fall. You are daring, and you must not borrow trouble. You will receive a present soon, but you will refuse it. You were born at midnight. You can make friends easy.

GEORGE REID, MILLER.
You are very sociable, warm-hearted and affectionate; enjoy the society of your friends in the highest degree, and cling to those you love through all the changes of time and circumstances.

Once a friend you are one forever. A mind like yours, backed up by a adequate physical stamina, will overcome all obstacles. You will hold a very high public position in three years.

R. R. CROOK, BLACKSMITH.
The main feature of your life is the strength shown in your hand, in the head line, and development of Mount Apollo. This development indicates great literary talent. You are also a remarkably witty, jovial, comical and very observant person. You are irresistibly impelled to individualize things. You are also fond of music and art, and with the will power which you possess, you should be able to master any thing pertaining to art and music, in the way of literary pursuits. You also possess a wonderfully retentive memory and you have a desire to travel and see the world. You are also inclined to be precise and orderly. You will meet with a grand surprise in three months.

W. H. HOBSON, MERCHANT.
You are a kind and a generous person. You will never be in want, but you will make a complete failure of your recent business venture in 22 days.

S. J. DAMON, GROCERY MERCHANT.
There is no sickness shown in your hand. You will travel a great deal in life. Your entire life changes in five months, and you will live in the extreme south.

ALEX. CORNOYER.
You are determined and self-willed. You delight in discussion, but you dislike anything quarrelsome, and you would do anything for peace's sake.

F. W. SETTELMER, LIEUT. OF COMPANY D.
You are well endowed mentally and calculated, with proper culture, to speak and write effectively and to wield considerable influence in the realms of thought, being less sensitive and delicately organized than those on whom there is larger proportional development of this temperament. You are better fitted to come in contact with people of all classes, and to control them by means of your superior mental development, backed by the vigor imparted by a large measure of vital and motive power. You should have been on the top of the ladder ever since.

H. D. PATTON, BOOKSELLER.
You are impressionable and impulsive. You are strong in your likes and dislikes, but you are a general favorite with your friends of both sexes; artistic and dramatic talent are shown.

J. C. KILG, BARBER.
Better days await you. You have been hampered by poor health and financial conditions, which you have made a heroic fight to overcome. Courage, the sun is still shining for you, and all days are not dark and dreary.

HENRY WRIGHT, COAL MERCHANT.
Precision is shown in your hand, and when you say you will do a thing you will do it. You also will live to a good old age.

PAUL SHOOT, MERCHANT.
You are frank and honorable. You have will power and an even, calm temperament. These are the chief characteristics shown in your hand.

Pleurisy

Pleurisy and pneumonia are frequently developed in a very short space of time, from a common cold, and such an acute inflammation of the lungs is not promptly allayed, the worst may happen. With the aid of Dr. Bull's Cough Syrup, however, you need not have any fear; for this remedy, quickly and speedily subdues the inflammation, eases the pain in breathing and always effects a cure in a wonderfully short time.

Dr. Bull's Cough Syrup

Cures Pleurisy and Pneumonia. Doses are small and pleasant to take. Doctors recommend it. Price 25c. At all druggists.

Young Hart, of Polk county, ought to be elected district attorney, because if a prominent lawyer in that firm is ever captured and brought back to be tried for forgery and other crimes, it would be a shame to have a public prosecutor who would send him over the road. By all means, let the people elect Jack Jeffrey district attorney and stop the face of justice that convicts only poor men and petty criminals. Let justice be done to rich and poor, great and small.

The Non-Irritating Cathartic

Easy to take, easy to operate--Hood's Pills

To Improve the Cemetery. The citizens in the neighborhood of Silverton and Howell will meet at Bethany next Friday for the purpose of cleaning up and improving the cemetery in general. They have just completed a new fence and now they propose to meet on that day and all hands help to beautify the grounds. Many of the old pioneers of that neighborhood are buried there and it is hoped that all those who have friends and relatives buried there will be present on next Friday.

At Bed Time. Take a pleasant herb drink, the next morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys, and is a pleasant laxative. It is made of herbs, and is prepared as easily as tea. It is called Lane's Medicine. All druggists sell it at 25c. and 50c. Lane's Family Medicine moves the bowels each day. If you cannot get it, send for free sample. Address, Orator F. Woodward, LeRoy, N. Y.

Intelligent, well-meaning Americans are all good enough to hold office. But Marion county wants a different system of doing public business.

Sluggish Blood

The blood should not creep lazily through the veins. It should run swiftly, carrying life and health to every organ. Indigestion, constipation, dyspepsia and nervousness, invariably accompany poor circulation. Purify and invigorate the blood with Hostetter's Stomach Bitters, and these diseases will disappear. The Bitters also prevents malaria fever and ague, and cures all ailments of the stomach. See that a Private Revenue Stamp covers the neck of the bottle.

It Invigorates Strengthens and Cures Hostetter's Stomach Bitters
