

HEALTHY OLD AGE

The majority of persons upon reaching middle age and past find their blood becomes weak and thin, and diseases that were easily controlled in earlier life begin to afflict the constitution. Those predisposed to Scrofula, Cancer, Rheumatism, Gout and other hereditary troubles may escape till then, but as they age the blood, so long tainted and weakened by accumulated waste matters, is no longer able to properly nourish the body, and it becomes an easy mark for disease. At this critical period of life the blood must be re-enforced before it can perform its legitimate functions and it is the system of these poisons, and nothing so surely and effectually does this as S. S. S.

S. S. S. is the only best blood purifier, improves the appetite, and builds up the general constitution. It is not only the best blood purifier, but the best tonic for old people. It warms the blood, tones up the nerves, removes all taint from the blood, and prevents the development of disease.

S. S. S. is the only purely vegetable blood medicine known. Not one particle of mercury, potash or other mineral poison can be found in it, and it may be taken for any length of time without harm.

S. S. S. is the only remedy that reaches deep-seated blood troubles like Scrofula, Cancer, Rheumatism, Eczema, Tetter, etc. It purifies and restores the blood to a healthy, normal condition, and makes it impossible for any poisonous waste materials to accumulate.

If you have an old running sore or an obstinate ulcer that refuses to heal, or are troubled with boils and carbuncles, try S. S. S. It never fails to make a quick and permanent cure of these pests. If your system is run down and you feel the need of a tonic, S. S. S. will strengthen and help you as it has many others to a happy, healthy old age.

S. S. S. cured Mr. H. Borden of Summerville, Va., of a case of Eczema of thirty-five years' standing, after the best physicians had failed. It was a case of Eczema of the face, neck and hands, and had been treated by all the best physicians in the surrounding country for thirty-five years. It was a case of Eczema of the face, neck and hands, and had been treated by all the best physicians in the surrounding country for thirty-five years.

If you are in doubt about your disease, and will send us a statement of your case, our physician will give you any information or advice wanted, for which we make no charge.

SCIENTIFIC PALMISTRY

Readings of the Hands of Salem Business Men.

As Presented by Prof. Sterling—To Be Followed by More Forecasts of Business Men.

The following readings in the science of palmistry are of the hands of business men at Salem. They are made by Prof. Sterling, one of the most renowned scientists in the world in his line.

C. L. PARKINER.
The heart line indicates weakness and that the person has not much will power. The person would have been a good inventor. The hand is very large and powerful, there is a small line meeting the life line, and in time it could have been the fate line. The head line breaks under the mount of Apollo meaning that the person is of a happy-go-lucky disposition and is very extravagant.

E. B. SMITH, POLICEMAN.
You have many friends. Your disappointments are over, and in two years you will be contented and happy. You will receive good news from a true friend in three weeks, and you have a long life before you; also, you are a noble person and can always be trusted.

You will live to extreme old age, and you will be a noted person through art and music.

ROSE.
You have a fair degree of mental activity. With advantages of education, you are capable of obtaining a position in intellectual society.

OSCEOLA.
You have excellent reasoning powers and a fine degree of ambition. You are a self-made person.

J. CONSER, HOTEL WILLAMETTE.
You have but little regard for popularity, are not very complaisant, and deservestory and little compliments. Censure does not disturb you, and you care little for praise. However, you will never have any sorrow in life. You had a severe illness in the past, but it will never happen again. Your lucky days are Friday and Monday. You will receive a sum of money in a few weeks and it will make you happy. You must not allow yourself to worry.

You are an agreeable companion; and you have much determination and good executive ability. You will live to a good old age.

THOMAS JACK.
Your field is in the south. You are very fickle and don't know the value of a dollar. You must be very careful in the future. You are not a lucky spectator. Your spring at conclusions too quickly. You make many friends, but you can't hold them. You have had jewelry stolen from you some time ago. It was a woman that had stolen the treasure. Her name was Susan. You must prepare for a change in 14 or 15 weeks. There will be a decided change in your family. You will also be in demand by the public in two years regarding business, etc.

THOMAS JACK.
You are well endowed mentally; and able with proper culture, to speak and write in realms of thought.

There is a bright field before you regarding business. You must look toward the bright side of life; you will live to the age of 77.

L. A. D.
You are not easily driven into anything, but you will give your last penny in the time of need.

L. D. S.
Your task is remarkable. You seldom make enemies, and are considered very sincere.

Call at THE EVENING JOURNAL office and get the prepared sheet for taking the outlines of the palm.

At any drugstore get 5 cents worth of tannic acid, add a teaspoonful of water, mix well and then apply to both palms, rubbing your palms together so as to have moisture penetrate the lines, etc., thoroughly. Then place your hand on the paper, holding it there steadily, and with pressure for two minutes. Keep your hand firm on the sheet, then raise hand gently.

Only use a small amount of the acid mixture on your palms, just enough to color the palm. Do not have it strike on the palms because that will make it blur on the impression sheet.

Directions how to remove the stains from your palms: Wash hands in vinegar thoroughly; then use soap as usual. After impression of hands has been taken return sheet to Evening Journal office, signed with any name you desire, and same will be read by Professor Sterling on reading published in the Evening Journal.

Mail subscribers wanting the sheets will enclose 2 cents for postage.

Annual Convention.
The Marion County Sunday School Association is holding its regular annual convention at Woodburn, today.

Among those in attendance from Salem are: Robert Reid, president of the county association; Rev. A. A. Ketchum, Rev. W. R. Wiggins, Miss Tyler, Mrs. Pettyjohn, Miss Bowerman, Miss Lena Royal, Miss Mary Ketchum and C. J. Atwood.

King Rex.
The Rex Studio, No. 243, Commercial St., Next door north of the Red Front Drug Store, has been established in the old Pickford Stand, by Miss Cora Sutton, who has been earnestly engaged in this work for some years previous, and who with the assistance of Prof. D. PALMISTRY!

HAVE YOUR HANDS READ

Prof. and Mme. Sterling
The Celebrated Palmists and Psychologists are in This City

Nature has bestowed upon these bright young people many advantages. They believe with the Brahmins that the lines of the hand are the markings of God. The drawings and records of the Science of Palmistry can be found in the Monastery at El Khar, Egypt, and Thales, and Nineveh, Persia, and India. Professor and Mme. Sterling have had access and examined the drawings, and after years of scientific research, assert that your entire life, past, present and future, may be plainly revealed to you through the exact Science of palmistry. How? you may ask. You have imprinted yourself by the force of your own emotions. Your hands have acted the part of the sensitized plate to the picture of the brain, and engraved in lines—deep or shallow—that which reveals your own life and perchance the lives of those with whom you come in contact. Added to this:

Prof. and Mme. Sterling
Confess to their marvelous psychic powers as a great aid in many important events they may reveal to you; hence their advice on business, marriage, sickness, death, changes, travels, divorces, separations, lawsuits, wills, deeds, mortgages, lost or absent friends, also truly predict in success or failure of new inventions, patents pending, pension claims, etc.; tell you whether you will receive fair dealing with your partners, if you care to know what business you should follow to be successful, what fields to seek and who to avoid if you intend to engage in business, make your changes, buy or sell any property, or in fact take any important step, on business, social and domestic life, is of great value to all who consult them. They can place within your reach a remedy for every failure. There is no heart so sorrowful and lonely that cannot be benefited by a visit to these phenomenal Palmists.

Fortune Telling
By cards, tea leaves, mind reading, is perhaps among the most interesting, when you want SECRETS OF TRUTH you should consult PROFESSOR AND MME. STERLING. They are acknowledged the greatest living authority on Palmistry. In their readings they give dates of the principal events and give advice in full detail. All their work is done in manuscript form without asking a question, and is strictly confidential. Call on these Palmists and they will send you away happier, wiser and bolder than before.

Our lard is pure hog fat and contains no cotton oil, beef suet, or adulterations of any kind. We pay you 5 cents for each and every one of our pails, that you return in good shape, which makes 10 cents, on each pail, in favor of our lard.
