J. CONNER. Gone to Albany, Rev. R. McKillop, pastor of the First betters the appearan e of a central part Baptist church of this city, went to Albany last evening to attend the annual Shaw, Mrs. W. T. Stoiz and Miss Rose of disease is what sewer gas reserved to self into, when your plumbing is important and of the society.

TO REDUCE ACERAGE

bard have also been to greater or less Hop Growers Getting Together on the expense in the matter. Proposition of Curtailing Supply. The hop growers at their meeting Erixon and Van Pation are now laying Friday afternoon were practically unan-the foundation for the new opera house, imous in the opinion that in the interest of their industry something should be done to bring about concerted action to keep the supply down to the demand. A reduction of the amount harvested, when the acreage is too large can only be accomplished satisfactorily by

mutual agreement. As a move in this direction a committee of five was appointed to draw up a form of agreement for the signature of hop growers, to provide for reduction of acreage harvested when such reduction is denied necessary. The committee was named as follows:

H. B. Thielson, Portland; John T. Wood, Wheatland; James Winstanley, Salem; J. R. White, Monitor; W. H. Egan, Brooks.
