

BOILS AND CARBUNCLES

These unwelcome visitors usually appear in the spring or summer, when the blood is making an extra effort to free itself from the many impurities that have accumulated during the winter months.

Carbuncles, which are more painful and dangerous, come most frequently on the back of the neck eating great holes in the flesh, exhaust the strength and often prove fatal. Boils are regarded by some people as blessings, and they patiently and uncomplainingly endure the pain and inconvenience under the mistaken idea that their health is being benefited, that their blood is too thick anyway, and this is Nature's plan of thinning it. The blood is not too rich or too thick, but is diseased—is full of poison—and unless relieved the entire system will suffer. The boil or carbuncle gives warning of serious internal troubles, which are only waiting for a favorable opportunity to develop. Many an old sore, running ulcer, even cancer, is the result of a neglected boil.

Keep the blood pure, and it will keep the skin clear of all the irritating impurities that cause these painful, disfiguring diseases.

S. S. S. cures boils and carbuncles easily and permanently by reinforcing, purifying and building up the blood and ridding the system of all accumulated waste matter.

S. S. S. is made of roots and herbs which act directly on the blood, and all poisons, no matter how deep-seated, are soon overcome and driven out by this powerful purely vegetable medicine.

S. S. S. is not a new, untried remedy, but for fifty years has been curing all kinds of blood and skin diseases. It has cured thousands, and will cure you. It is a pleasant tonic as well as blood purifier—improves the appetite and digestion, builds up your general health and keeps your blood in order.

Our physicians have made blood and skin diseases a life study—write them fully about your case, and any information or advice wanted will be cheerfully given. We make no charge whatever for this service. Send for our book on Blood and Skin Diseases—free.

Baneful Boils

Mr. E. M. Pratt, Cave, S. C., writes: "For twenty years I was sorely afflicted with boils and carbuncles caused by impure blood. It is impossible to describe my suffering; part of the time being unable to work or sleep. Several doctors treated me, and I tried all the so-called blood remedies, but nothing seemed to do me any good. During the summer of 1931 I was persuaded to try S. S. S., and after taking several bottles was entirely cured, and have had no return of these painful pests up to the present time."

Dangerous Carbuncles

It is well to remember the soldiers, Who fought for our country and died, And strewn their green graves with flowers Where they sleep on the grassy hillside.

Our hearts throb with tender emotion, To think of the true and the brave, But we also remember the living Who with them fought, our country to save.

We'll not wait till you've passed from our presence To tell you our love and esteem; Not wait till you're mustered beyond us And your graves have grown grassy and green.

But will show you that love lives forever In hearts that are loyal and true, And while we remember dear comrades, Love's flowers still blossom for you.

EGGS BY QUART.

White or Mixed in This Way of Marketing "Hen Fruit."

"Give me a quart of yolks."

"What are whites worth today?"

"Send me up a gallon of mixed."

Such expressions as these will be familiar terms in grocery stores and butcher shops in Kansas City before long. Housewives will make them so for eggs will be sold by the pint, quart and gallon instead of by the dozen. In fact, the big confectionery establishments of the city buy them by the gallon now. Kitchen economy suggested the scheme, and local packers immediately took it up.

How often it is that a cook will break a dozen or more eggs in order to get the yolks to make a cake. The whites will be thrown away, or vice versa. Why not make a saving of the whites or yolks, as the case may be? was suggested. The packers put the question to the confectioners, and the latter saw the point. Now, when a confectioner wants to make stuff with the yolks he sends to a packing house and buys yolks by the gallon. If he wants to use the whites for something, he sends for them. If he wants to use both, he sends and gets a mixed can. It is predicted that housewives will soon adopt the same method.

With this new system of handling "hen fruit" there is absolutely no loss. The eggshells are even used. They are ground up and sold for chicken feed.—Kansas City Times.

DEATH AT SILVERTON

The Father of Martin Viesko of This City Passes Away.

Martin Viesko, the stone mason of this city, received a telegram from Silvertown Sunday announcing the sudden death at half past eight that morning of his father.

The old gentleman was in his eightieth year, but had been in pretty good health and it is supposed that his death was due to heart failure.

He was a native of Germany, but had been in this country for many years, and served as a soldier in the civil war. He had been blind for many years, and has been living with his son Julius Viesko, 2 1/2 miles from Silvertown. A daughter Mrs. Gunn, lives in Portland. The wife has been dead for a number of years.

Mr. and Mrs. Martin Viesko went to Silvertown in response to the telegram conveying the sad news, and further particulars have not been received.

Not Dead Yet.

The John A. Logan Veteran Reunion Association, which has for so many years been held at McMinnville, Ore., has been moved to Lyons, Lin county, Ore., by a vote of the majority of stockholders.

The present location is on the C. & E. R. E. Wood and a fine spring of water will be found on the grounds. Grounds are among the best in the state. Encampment will begin on Monday, the 2nd of July, 1930, and continue through the week.

A good program is assured, both evening and day. Come one, come all. You are cordially invited to attend. By order of the President W. P. MILLER. G. J. PARKER, Secretary. 6-14-29
