ROOSEVELT AND HANNA.

Campaign Plans Arranged—The Senator On the Democratic Platform.

By Associated Press to the Journal. CLEVELAND, O., July 7.—Governor Roosevelt spent eight hours in Cleveland. He left for Canton to visit President McKinley. The most of the Governor's stay in Cleveland was taken up by a consultation with Hanna. Governor Roosevelt said:

"I have been conferring with the senator about the itinerary that we shall follow this fall. It has been determined that if possible, I shall visit all the Rocky Mountain states."

Senator Hanna, when asked for an expression on the Democratic platform, said:

"From what I have read, I can see that it is a cunningly devised scheme to catch the unwary and the unthinking voters. I think the most laborious effort in their document was to create a difference between expansion and imperialism. It was rather amusing to see their line of demarcation; seeming to rely on the constitutional question to establish that difference as to whether the flag follows the constitution or the constitution follows the flag. We are perfectly willing to meet that issue on their own hypothesis. So far as the free silver plank is concerned, I think all Republicans will be satisfied."

Rock to Be Removed. Pinnacle rock, which has long been a menace to navigation in Yaquina bay, is to be removed forthwith. About six months ago Captain Harts, United States engineer, completed a project for the removal of the rock, and this was reported to Washington by the board, and acted on favorably by the department, orders being issued to carry the project out.

But the Leaders Are Not Hopeful About Carrying the Pacific States.

By Associated Press to the Journal. KANSAS CITY, Mo., July 7.—C. A. Towne was asked if he'd withdraw as a Populist vice-presidential nominee in order that Stevenson's name might be substituted. He is quoted as saying: "I cannot say anything just now. I'll make an announcement in a few days."

JAPAN TO ACT WITH A FREE HAND

By Associated Press to the Journal. LONDON, July 7, 2:40 a. m.—The Russian government announces that it will give Japan a free hand to apply military force in China. The terms of this consent are summarized in the subjoined dispatch from St. Petersburg, under date of July 6th:

"Under inquiry from the Japanese Cabinet regarding the dispatch of Japanese troops in China to render aid to the foreigners in Peking, the Russian Government declared June 27 that it left the Japanese Government full liberty of action in this connection, as the Tokio Cabinet expressed its readiness to act in full agreement with the other powers."

It is in consequence of this, no doubt, that Japan is preparing to embark 20,000 more troops. Political considerations that were thought to have been influencing the action of the powers are thus laid aside for a moment, at least, by the governments supposed to have the clearest purpose respecting China's future.
