### THERE'S A REASON FOR IT

It may be that you have never thought of the advantages of the spot cash plan of business. Ninety-seven out of every one hundred merchants who do a credit business fail. Ninety-seven out of every one hundred merchants who stick to the seven out of every one hundred merchants who stake to the spot cash plan succeed. In their attempt to prevent the almost inevitable bankruptcy, credit merchants resort to increased profits. They make you pay your neighbors' debts. The spot cash merchant, who has no losses to account for, can afford to sell at smaller profits.
