THE POPULAR LOAN

Ordered by the School Board to the Amount of \$30,000.

As foreshowed in Saturday's JOURNAL, the board of directors of the Salem school district will borrow \$30,000 on 4 per cent interest, issuing notes therefor.

This was settled at the committee meeting, Saturday afternoon, and at the regular board meeting Saturday evening the following resolution was unanimously adopted:

"In order to provide for the payment of bonds maturing September 1, 1900, amounting to \$16,000, also indebtedness known as the floating debt, or notes amounting to \$14,000, bearing interest at the rate of 6 per cent per annum.

"Be it resolved by the board of directors of school district No. 24, Marion county, Oregon, that we do hereby order the issuance of \$30,000 in notes of various and sundry denominations, the aggregate of which shall not exceed said principal sum of issue; said notes to run for a period of 10 years from September 1, 1900, unless sooner called in for redemption by said board of directors, and to bear interest at the rate of 4 per cent per annum; the principal and interest of said notes shall be payable in United States gold coin of the present standard value. The interest to be paid thereon semi-annually on the 1st day of March and September, after the said date of issue of said notes at the office of the district clerk in the City of Salem, Or.

"The notes herein provided for shall be made payable to bearer, and not to any specified person, and shall be known as the Popular Four Per Cent Loan and the same shall be sold by popular subscription, the subscription list or book opened in this behalf, to be closed on the 4th day of August, 1900. The notes herein provided for shall be signed by the chairman of the board of directors and attested to by the district clerk. Each note shall bear the impress of the seal of said district."

Subscription books are now open at the Ladd & Bush bank in charge of Joe Baumgartner, clerk of the school board, where those who are looking for a good safe investment for idle cash can put down their names for the amount desired.

While the resolution passed by the board does not so state, it is the intention of the board to fill the smaller subscriptions first, as was done in the city bond loan.

While the time is short notice has been given, and there is not the slightest doubt that the loan will be taken up several times over.

As a starter, one subscription for \$1000 was received this morning as soon as the books were opened and others all ready.

A BIG CUNARDER SINKS A BARK

By Associated Press to the Journal.

LONDON, 23.—A dense fog hung over the Irish Channel Saturday morning and the Cunard line steamer Campania, en route from New York for Liverpool, struck the Liverpool bark Embledon, bound for New Zealand, amidships, cutting her in two. The Campania sank immediately. Seven of the crew were rescued, but it is believed the other 11 members of the ship's company, including the captain, were drowned. The Campania had her bows stove in, but arrived safely at Liverpool, five and a half hours late.
