A BALD NEWSPAPER MAN. Getting a New Crop of Hair, and Has No More Doubt.

Everybody in the Northwest knows Col. Daniel Seales, the veteran journalist and publisher of Butte. Jan. 10, 1900, the Colonel writes: "I used a couple of bottles of Newbro's Herpicide with marvelous results. The dandruff disappeared; a new crop of hair has taken root, and the bald spot is rapidly being covered." Herpicide is the only hair preparation that kills the dandruff germ that digs up the scalp in scales as the burrows its way to the root of the hair, where it destroys the vitality of the hair, causing the hair to fall out. Kill the dandruff germ, with Herpicide.

Where To Find It. Willson's Shaving Parlors carry a stock of Newbro's Herpicide, the new and infallible cure for dandruff and falling hair, advertised in another column of this paper.

"To Be or Not to Be."

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
