chickens per lb., 7c. Apples 25c.

### OCIAL NEWS AND VIEWS THE PRUNE OUTLOOK.

Oregon Growers.

California Fruit Association Helping Market for Salem Cor. Oregonian.

From present indications the California Cured Fruit Association is doing for Bears the the Oregon prunegrower what the Ore- Signature gon Hopgrowers' Association did last year for the California hopgrower. The California association has put a price on its fruit that is higher than the trade seems willing to pay, and while the dealers are slow in confirming orders in California, the Oregon growers can sell rend- lean man. ily, if they wish, at fair prices. It was went and lost one of my best custom-said by dealers when the association fixed its prices that the figures were higher him as 'Jjohn Hhenry Lloyd.' "-Inthan the market would warrant, and that dianapolis Press. sales could not be made on that basis. The Eastern buyers seem to be of the same opinion, and if they continue to NO External hold off from buying 10 California, the Oregon growers will profit by it. - The California association also fixed its prices for export shipments 10 cent per pound below the prices for domestic shipment. According to Associated Press dispatches from San Jose, the California association's headquarters. Eastern dealers are also may result in turning buyers toward Oregon, and will help prices if European buyers will take fruit at California frait that is sold to European buyers for and watery. It is in just such cases that prices. Every carload of California export on the association's conditions S. S. S. has done some of its quickest and
